TOWN OF PORT HEDLAND

REQUEST FOR TENDER 2425-05 BEACH ACCESS STAIRCASE AND SHADE STRUCTURE – SUTHERLAND STREET SEAWALL

Town of Port Hedland is seeking for qualified contractor to complete Sutherland Street Seawall. Tropical Cyclone Veronica impacted the Port Hedland region between the 23rd and 25th of March 2019, remaining near the coast between Port Hedland and Karratha for more than 24 hours. The cyclone generated high onshore winds at Port Hedland, coupled with high water levels. These conditions caused significant damage to assets and areas along the shoreline. Among the structures affected was a dilapidated beach access staircase at Crawford Street, which was completely damaged.

As part of the seawall construction project, it was decided to reconstruct the staircase to allow the general public to access the beach. The Town of Port Hedland ("Town") is seeking a suitably qualified contractor for the fabrication, supply, and installation of a beach access staircase at the Sutherland Street seawall. The deadline for submissions is 2:00pm (WST), Wednesday 04 September 2024.

Tender documents and information on how to respond is available at http://www.porthedland.wa.gov.au/our-council/work-with-us/tenders-rfps-eois.aspx or by e-mailing procurement@porthedland.wa.go.au .
