

Draft 2018-2020 Port Hedland Alcohol and Other Drug Management Plan

Your comments & feedback on the Draft Plan is appreciated – please take time to provide your thoughts

1. The draft 2018-2020 Port Hedland Alcohol and Other Drug Management Plan focusses on the following four prioritises:

Changing the culture/normalisation of alcohol use in Port/South Hedland
Addressing the impact of alcohol on families and young people
Reducing alcohol-related violence in Port/South Hedland
Addressing needle syringe disposal issues and raising awareness of local NSP programs

2. Do you support these four prioritises

Yes

No

3. Would you like to see any other issues covered in the Draft Plan?

4. For Priority 1 - Changing the culture/normalisation of alcohol use in Port/South Hedland, the actions focus around – media, communications, public awareness campaign, enhanced Alcohol Think Again messages, distribution of health and harm reduction information and a local AOD services directory and training.

5. Would you like to see any other actions covered to address Priority 1?

6. For Priority 2 - Addressing the impact of alcohol on families and young people, the actions focus around – education sessions and supporting young people when they get involved with senior sporting activities, promotion of the Good Sports Program, AOD education in our schools, distribution of information related to alcohol, community education sessions targeting families addressing alcohol related harm and promotion of existing AOD services for families and youth.

7. Would you like to see any other actions covered to address Priority 2?

8. For Priority 3 – Reducing alcohol-related violence in Port/South Hedland, the actions focus around – monitoring trends and promoting the support services available for family domestic violence, educating children on creating a safe place, investigating after-hours “safe overnight stay” place, promoting homeowners to seek Section 152 Dry Houses, investigate the development of a banned drinker’s register, alternatives to violence workshops, creation of a local men’s group and delivery of men’s specific wrap around workshops.

9. Would you like to see any other actions covered to address Priority 3?

10. For Priority 4 - Addressing needle syringe disposal issues and raising awareness of local NSP programs – appointment of a Pilbara NSP Coordinator, record and map locations of incorrectly disposed of needles, identify needle hotspots, education and reporting pathways for the community for incorrectly disposed of needles, review signage around safe disposal units, determine if the current disposal units are adequate, promote safer use and disposal of needles and training to litter collection staff, individuals and organisations with safe needle disposal training.

11. Would you like to see any other actions covered to address Priority 4?

12. Do you support the Draft Plan?

Yes

No

What do you feel would add further value to the Draft Plan?

How did you hear about the Draft Plan?

Optional
