Economic Development & Diversification Fund

The Town of Port Hedland is creating jobs, growing businesses and building a more **diverse** local economy.

Through two targeted funding streams, businesses and not-for-profit organisations can bring new ideas to life or scale existing initiatives that drive economic growth, resilience and community vitality across Hedland.

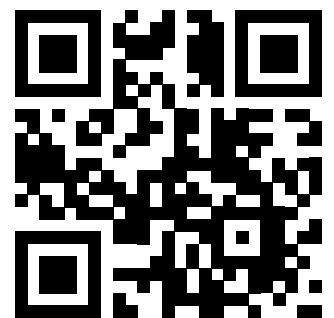

Business Development Stream

- Assist local businesses and non-profit organisations deliver new services that enhance liveability in Hedland.
- Support local businesses and non-profit organisations access funding opportunities through WA and Commonwealth Government programs.

Economic Diversification Stream

- Attract new businesses to Hedland.
- Grow local business by expanding their operations.
