Town of Port Hedland

Regulatory: Basis of setting level of fees and charges is covered under S6.17(1) of the Local Government Act 1995. This takes into consideration the cost to the local government, the importance of the service and the price that is provided by alternative providers.

Companion Card: The Western Australian Companion Card Program promotes the right of people with a disability to fair ticketing at entertainment venues. The Town of Port Hedland supports and affiliates with this program (Council Decision 201314/255). Holders of a Companion Card will have their fee waived when attending ticketed entertainment/facilities to support a person with a disability.

The purpose of the Companion Card is to ensure that people who are unable to attend venues and events without a companion to provide attendant care support are not charged two admission fees. The following Town of Port Hedland facilities recognize the Companion Card Program:

Wanangkura Stadium, Gratwick Aquatic Centre, South Hedland Aquatic Centre, JD Hardie Centre, Matt Dann Cultural Centre, Library Workshops.

Pensioner Definition: An eligible pensioner Is a pensioner as defined In the Rates and Charges (Rebates and Deferments) Act 1992 section 3(1).

Community Group Definition: To qualify for the Community Group Rate as set out below, clubs and organisations are required to provide documentary evidence that clearly establishes that they are a Community Organisation as defined by the ATO. The Australian Tax Office (ATO) defines community organisations as "any organisation engaged in charitable or other community based activity operating under Australian law and not established for the purpose of making a profit." This documentation may be in the form of the organisation's constitution, ABN status or documentation stating their dissolution clause and/or non-profit clause.

Port Hedland based not-for-profits, sporting groups and performing arts groups may apply for a waiver of fees and charges in line with 2/020 Fees and Charges Waiver Policy.
