Pensioner Definition

An eligible pensioner is a pensioner as defined in the Rates and Charges (Rebates and Deferments) Act 1992 section 3(1).

Community Group Definition

To qualify for the Community Group Rate as set out below, clubs and organisations are required to provide documentary evidence that clearly establishes that they are a Community Organisation as defined by the ATO. The Australian Tax Office (ATO) defines community organisations as "any organisation engaged in charitable or other community based activity operating under Australian law and not established for the purpose of making a profit." This documentation may be in the form of the organisations constitution, ABN status or documentation stating their dissolution clause and or non- profit clause.
