Acknowledgement

“We would like to acknowledge the Kariyarra, Ngarla and Nyamal people as the Traditional Custodians of the Town of Port Hedland. We recognise their strength and resilience and pay our respect to their Elders past and present.

We extend that respect to all Aboriginal & Torres Strait Islander people of the local community, and recognise their rich cultures and their continuing connection to land and waters.

Our Vision

To be Australia's leading
Port Town embracing
community, culture
and environment.

Message from the Mayor

On behalf of the Town of Port Hedland, I am pleased to present our 2019/20 budget to the community. This budget solidifies the Town's commitment of investing in the core infrastructure assets residents and industry use on a daily basis, achieved through prudent financial management. I'd like to acknowledge the commitment of the Town's Executive Team and staff who, over the last two years, have made significant improvements to the delivery of Local Government in Hedland. Under constrained financial pressures and competing priorities, we've focussed on back to basics spending on core infrastructure assets.

Spending across the board has been constrained, respecting the cost pressures households and business are experiencing. A modest cross category rates increase was applied this year, reflecting the need for the Town to remain financially viable to deliver the services we all rely upon. First and foremost, we've invested in renewing roads, footpaths and streetlighting. From perusing the budget numbers, I'm confident the right balance between saving and spending has been struck.

As I meet with industry, a common theme which emerges is the importance of maintaining our road network. I'm pleased this budget commits over \$3 million to a road renewal program, hyper targeted funding which will rectify the stretches of road in most need of modernisation. This builds on the work undertaken in the 2018/19 financial year, which saw high traffic areas across Hedland upgraded. I'd like to acknowledge the Federal Government for funding regional road developments across WA.

As a coastal town, we take the risks of climate change seriously and consider the environment in our decision making. We've decided to assess the feasibility of phasing out single use plastics at town events, falling in line with other Councils across the country. I'm excited to witness the role out of the Coastal Hazard Risk Management Plan over the coming years, a blueprint for identifying land areas at risk of erosion and inundation from rising sea levels. Along with over \$3 million committed to a community recycling centre, we are working towards building an environmentally conscious town.

I'm passionate about crime prevention and community safety. Since my tenure began, I have tirelessly advocated for harm minimisation strategies to tackle Hedland's unacceptably high substance abuse rates. Over the coming year, our CCTV Network will become interconnected and modernised to assist authorities identify crime perpetrators and bring them to justice. Across social media and in conversation, it is clear Hedland locals are concerned with crime and expect us to proactively address the issue. The Community Safety Plan, developed in collaboration with Town Officers and stakeholders, gives Elected Members and community leaders more clarity to address crime and safety issues holistically for the years to come.

In these times, Local Government is expected to be at the forefront of crafting liveable communities. That's why we will continue delivering much loved community events such as Northwest Festival, as well as branching out into innovative community engagement activities. Our vision is to become more inclusive and accessible as each year passes, such as through the development of accessible playground spaces which can be enjoyed by people of all abilities. I look forward to the Disability Access and Inclusion Plan continuing its evolution into tangible, on the ground projects.

Once again, I'd like to thank all those involved in the development of this budget. It's clear hard decisions have been made, yet a shared focus on liveability and population retention means funding has been prioritised effectively, fairly and where it's needed most.

I look forward to working with my fellow Elected Member, the Town's Executive Team, staff and community partners in ensuring Hedland becomes an even better place to live over the next year.

Camilo Blanco, Port Hedland Mayor.

Message from the CEO

Firstly, I'd like to thank everyone involved in delivering the 2019/20 budget. Budgets require in-depth analysis of organisation wide spending, future cost projections and an ear on the ground to understand people's priorities. Every facet of the Town's Administration have been involved, complementing the decision making of our Elected Members. I stand behind this budget, grounded by sensible financial management.

A major development this year has been the Town's embracement of strategic planning. Stemming from the success of the Strategic Community Plan 2018-2028 (SCP), long term frameworks have been developed across various departments. These include the Creative Hedland Arts and Culture Strategy 2019-22, the Parks and Paths Strategy and the Community Safety Plan 2019-2022. The objective of these documents is to guide decision making around strategic goals, so there's a purpose to every action taken.

Building on the 2018/19 budget, funds have been allocated to prioritise core infrastructure renewal. This includes \$1 million for footpath renewal and \$1.2 million for a playground replacement program. We've also committed \$500,000 to a dual use path and lighting masterplan and \$350,000 to review the Local Planning Strategy and Scheme. We are striving to build public environments conducive to family life, bolstering population retention efforts. These projects are an investment in our town, not simply a financial expense.

In relation to community services, \$2 million has been committed to the child care implementation strategy. Through this budget, action is being taken to address the lack of child care availability in Hedland.

A big change this year has been the in-house transition of management and operations of Wanangkura Stadium, South Hedland Aquatic Centre and Gratwick Aquatic Center. Operating under the Port Hedland Leisure Brand, these facilities are now directly managed by the Town with a focus on customer responsiveness and a high standard of service delivery. Funding in this budget has been allocated to ensure the success of these facilities, recognising their central role in shaping the wellbeing

of residents. Our objective is to offer better health and fitness options for locals to enjoy all year round.

Finally, I'd like to thank Elected Members, the Executive Team, staff, community partners and industry for your ongoing commitment to meeting the goals set out in the SCP. Our strategic prioritisation of resources positions the Town to rise to the challenges of the coming year and give Hedland locals the Government they deserve.

A handwritten signature in black ink, appearing to read 'D. Pentz'. The signature is stylized and fluid.

David Pentz, CEO Town of Port Hedland

Hedland Snapshot

Our population is subject to significant fluctuation largely driven by prevailing economic conditions particularly relative to the resources sector. Our community also plays host to a substantial FIFO population, which is generally not captured accurately or at all in formal census data, despite having a significant impact on services, infrastructure, and housing affordability.

According to the most recent census data (2016), there were 14,469 estimated resident population in Port Hedland. We estimate that to be around 16,000 given our population profile with non residential (fly in-fly out) workforce. The majority of our population are young (median age 32) with a strong multicultural background (38.5% born overseas, 14.8% Aboriginal and Torres Strait Islander).

“Our original inhabitants call the place Marapikurrinya”

Our Leadership

We are united in our actions to connect, listen, support and advocate thereby leveraging the potential of our people, places and resources.

Councillor	Tricia Hebbard	2017 - 2019

Budget Overview

Forecasts and Assumptions

We have undertaken a basic sensitivity analysis to determine factors likely to impact on the 2019/20 budget presented. The major factors and risks are discussed below.

The 2019/20 budget estimates total operating expenditure of \$73.4M inclusive of a large payment to fund the Marina works managed by the State Government, and a capital works program of \$40M. Whilst the local and state economy appears to be stabilising, the Town of Port Hedland (Town) still faces financial challenges. Ongoing efficiencies in operational expenditure were achieved in the financial year ended 30 June 2019. The Town continues to focus on fiscal constraint and operational efficiency in 2019/20, whilst ensuring the budget presented is both realistic and deliverable.

The Town will continue to pursue operational efficiencies in order to maintain existing service levels and the delivery of quality outcomes to the community. This aligns with our adopted *Strategic Community Plan 2018 – 2028*.

The Budget provides for a 6% reduction in the total rates yield for the 2019/20 year above the 2018/19 actual yield. Continuing towards a uniform rating strategy ensures the rate burden is spread more equitably across the differential categories.

In planning for the 2019/20 financial year and beyond, we have made assumptions about factors outside of the Town's control, such as inflation, population, and grant funding. The budget is based on information to hand and some scenario modelling. Given the one year time-frame, the risk assigned to the assumptions is categorised as low.

To assist in understanding and interpreting this budget document, a glossary of commonly used terms has been provided in the Budget documentation.

Fees and Charges

Many of the facilities and services provided by the Town are offered on a partial or full user pays basis. In some circumstances, fee waivers may be applicable. The Town's pricing principles are summarised in the Fees and Charges section of the Budget.

Grants, Contributions and Subsidies

Each year, the Town receives a Financial Assistance Grant allocation from the WA Local Government Grants Commission. This grant is made available to local governments across Australia, and represents a contribution from the Federal Government of local government's share of GST revenue. Due to the Town's ability to generate its own source revenue, the Town is moving towards being categorised as a 'minimum grant' Council. This means our annual Financial Assistance Grant is likely to decrease. In the 2019/20 budget we have provided for a reduction in both the general and road components of the grant.

This reduction in the Financial Assistance Grant has a long-term negative impact on the Town's annual budget. We will continue to lobby for changes to the distribution method, so that the challenges of delivering quality local government functions in the Pilbara are understood and appropriately funded. In addition, a number of services provided by the Town to the community are only possible because of specific grant funding from State and Federal Government. In preparing future year financial plans, we have assumed that the Town will continue to receive such grants. Should the level of grants and subsidies be reduced, the Town's ability to provide the related services will be impacted.

Service Delivery and Service Levels

The Budget is based on maintaining existing services at current levels of service, which aligns with the adopted *Strategic Community Plan 2018 – 2028*.

Service levels can affect operating costs and income as well as asset maintenance costs. The Budget demonstrates that the Town's Municipal Fund is generally not in a position to introduce additional services or increase service levels above existing levels. Service levels and efficiency gains will continue to be reviewed during 2019/20.

Employee Costs

In preparing budgets for employee costs, the Town has considered the potential increases which may be included as part of the Enterprise Bargaining Agreement currently under negotiation.

Other Expenditure

In preparing expenditure forecasts, we have considered not only new expenditure items, but also the Town's ongoing commitments. This includes costs for capital and recurrent expenditure programs, and the input mix required to achieve the objectives of each of these programs, such as materials and contracts, employee costs, and other expenses. For 2019/20, the Town aims to constrain costs to a 1.0% increase year-on-year for business as usual service delivery, with known increases offset by efficiency gains. An increase of 2% CPI on utilities and State Government charges has been included in the budget.

By constraining expenditure increases through continued productivity gains, and maximising revenue increases, the Town is looking to achieve long-term financial sustainability.

Inflation

Inflation assumptions are applied to the cost of materials and services that are not identified as having specific factors of influence.

The annual consumer price index ('CPI') for Perth to March 2019 was 1.1% (Source: Australian Bureau of Statistics). CPI for the Pilbara is usually higher than experienced in capital cities. The assumed inflation rate in the Budget is 2% with known increases (e.g. State Government charges and utilities). The Town will continue to work expected increases to be offset by constraining other expenditure and continued productivity gains.

Borrowings

The 2019/20 Budget for the Town does not plan to utilise any new loan funding. The early repayment of existing loans is considered on a periodic basis and all loan debt was paid early in June 2019.

Interest Rates

Interest revenue on cash investments has been budgeted at 2%. It should be noted that the Local Government Act 1995 restricts the type of products that the Town can invest in.

Risk Factors

The Town has identified key risk areas that may impact on the 2019/20 budget. This includes but is not limited to:

- Commercial lease arrangements;
- Rate revenue generated from State Agreement and leased properties;
- Interest earned on investments; and
- Revenue from grants and subsidies.

It should be noted that this budget raises sufficient revenue to address asset renewal requirements, however is still heavily reliant on reserve fund for new and upgrade capital works. As a result, the Town is meeting the State Government ratios for asset renewals.

Accumulation of reserves is necessary to be able to continue to fund asset renewals as well as new infrastructure in the future in line with the long term financial plan.

Glossary

For each Program, we have included a projected budget for each of the Activities within that Program, setting out the type of income and expenditure, and funding expected for the next four years. A simple explanation of each line item contained in the budget summary for each Activity is provided here.

Rates & Annual Charges includes the income generated by the Town from the levying of rates and annual charges for the provision of waste management services.

User Charges & Fees includes user charges for statutory fees such as planning and building regulation, and other fees and charges for a variety of Town services including waste and landfill fees, cemeteries and swimming pools.

Interest & Investment Revenue encompasses interest charged by the Town on overdue rates and charges, and interest earned on the Town's investment portfolio. The majority of interest revenue will appear in General Purpose Revenue.

Other Revenues includes fines, insurance claim recoveries, sales income, and rental income from Council properties.

Grants & Contributions – Operating includes general purpose grants and contributions such as the Financial Assistance Grant and specific purpose grants for services such as bushfire and emergency, environmental programs, aged and disabled services, noxious weeds management, and roads maintenance.

Gain or Loss on Disposal of Assets represents the surplus or shortfall of proceeds received from the disposal of assets over their written down value. This typically relates to the sale of plant and other equipment at the end of its useful life.

Employee Benefits & On-costs incorporates the cost of staff including salaries and wages, superannuation, workers compensation, and training. Borrowing Costs represents the interest paid by the Town on borrowings. Materials & Contracts includes expenditure on

materials, contractor and consultancy costs, payments for audit services, legal expenses, telephone and communications and operating lease payments.

Depreciation & Amortisation reflects the consumption of the Town's infrastructure, property, plant & equipment (net of residual values) over the estimated useful life of the asset. Depreciation is calculated using the straight line method.

Other Expenses include payments for elected member fees, donations and contributions made to local and regional bodies, election expenses, electricity, insurance premiums, street lighting, and utility expenditure.

Internal Income and Internal Expenses are transactions between the different funds and activities of Council. For consolidated financial statements, these two line items are netted off against Materials & Contracts.

Capital Expenditure reflects the cost of purchasing or constructing new assets and renewing existing infrastructure. Those assets (excluding land) and are then depreciated over the course of their estimated useful life.

Non Cash Entries is an adjustment made to the income statement to show the impact of non cash entries such as depreciation.

New Loan Borrowings represents new loan funding drawn down by the Town. Loan Repayments represents the principal component of loan repayments made by the Town to service borrowings.

Transfers from Reserves, Unspent Loans & Unspent Grants represents a transfer from the Town's restricted funds (internal and external restrictions), and is usually associated with a specific project for which funds have been set aside.

FOR THE YEAR ENDED 30TH JUNE 2020

BASIS OF PREPARATION

The budget has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations. The *Local Government (Financial Management) Regulations 1996* take precedence over Australian Accounting Standards. Regulation 16 prohibits a local government from recognising as assets Crown land that is a public thoroughfare, such as land under roads, and land not owned by but under the control or management of the local government, unless it is a golf course, showground, racecourse or recreational facility of State or regional significance. Consequently, some assets, including land under roads acquired on or after 1 July 2008, have not been recognised in this budget. This is not in accordance with the requirements of AASB 1051 *Land Under Roads* paragraph 15 and AASB 116 *Property, Plant and Equipment* paragraph 7.

Accounting policies which have been adopted in the preparation of this budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Town of Port Hedland controls resources to carry on its functions have been included in the financial statements forming part of this budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 14 to the budget.

2018/19 ACTUAL BALANCES

Balances shown in this budget as 2018/19 Actual are estimates as forecast at the time of budget preparation and are subject to final adjustments.

CHANGE IN ACCOUNTING POLICIES

On the 1 July 2019 the following new accounting policies are to be adopted and have impacted on the preparation of the budget:

- AASB 15 - Revenue from Contracts with Customers;
- AASB 16 - Leases; and
- AASB 1058 - Income of Not-for-Profit Entities.

Explanation of the changes arising from these standards is provided at Note 16.

KEY TERMS AND DEFINITIONS - NATURE OR TYPE**REVENUES****RATES**

All rates levied under the *Local Government Act 1995*. Includes general, differential, specified area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts offered. Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

SERVICE CHARGES

Service charges imposed under Division 6 of Part 6 of the *Local Government Act 1995*. Regulation 54 of the *Local Government (Financial Management) Regulations 1996* identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services.

Excludes rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

PROFIT ON ASSET DISPOSAL

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

REVENUES (CONTINUED)**OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS**

Refer to all amounts received as grants, subsidies and contributions that are not non-operating grants.

NON-OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

FEES AND CHARGES

Revenue (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

INTEREST EARNINGS

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

OTHER REVENUE / INCOME

Other revenue, which can not be classified under the above headings, includes dividends, discounts, and rebates. Reimbursements and recoveries should be separated by note to ensure the correct calculation of ratios.

EXPENSES**EMPLOYEE COSTS**

All costs associated with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences safety expenses, medical examinations, fringe benefit tax, etc.

MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER, ETC.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets includes loss on disposal of long term investments.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation expense raised on all classes of assets.

INTEREST EXPENSES

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or State taxes. Donations and subsidies made to community groups.

This statement is to be read in conjunction with the accompanying notes.

FOR THE YEAR ENDED 30TH JUNE 2020

KEY TERMS AND DEFINITIONS - REPORTING PROGRAMS

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the Town's Community Vision, and for each of its broad activities/programs.

OBJECTIVE**GOVERNANCE**

To provide a decision making process for the efficient allocation of scarce resources.

ACTIVITIES

Includes all activities of members of council and the administrative support available to the council for the provision of governance of the district. Other costs relate to the task of providing legal services on all matters.

GENERAL PURPOSE FUNDING

To collect revenue to allow for the provision of services.

Rates, interest income, general purpose government grants, interest revenue and the cost of assets sold.

LAW, ORDER, PUBLIC SAFETY

To provide services to help ensure a safer and environmentally conscious community.

Fire prevention and volunteer bush fire brigade, animal control, support of State Emergency Services, emergency services, the Town's CCTV network, and community safety and crime prevention initiatives.

HEALTH

To provide an operational framework for environmental and community health.

Vermin control, environmental health, food and public health regulation and compliance, and health.

EDUCATION AND WELFARE

To provide services to disadvantaged persons, the elderly, children and youth.

Community partnership funding, disability access initiatives, community services administration, facilities including the JD Hardie Centre and asset management associated with key community buildings.

HOUSING

To provide and maintain adequate housing.

Primarily centred around the provision of housing to employees, and asset management activities.

COMMUNITY AMENITIES

To provide services required by the community.

Strategic town planning and development control, all aspects of waste management such as waste collection, landfill operations, and waste minimisation; cemeteries, public toilets, cyclone preparation and response, and sanitation and litter collection.

RECREATION AND CULTURE

To establish and effectively manage infrastructure and resources which will help the social well-being of the community.

Maintenance of public halls, civic centres, aquatic centres, beaches, recreation centres and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of libraries, galleries and other cultural facilities. Facilitation of Town events including North West Festival, Sninifex Snee and other community events.

TRANSPORT

To provide safe, effective and efficient transport services to the community.

All activities relating to the Port Hedland International Airport. Construction and maintenance of roads, streets, footpaths, depots, cycle ways, parking facilities, and traffic control. Cleaning of streets and maintenance of street trees, street lighting etc.

ECONOMIC SERVICES

To help promote the Town and its economic well-being.

Tourism and area promotion, strategic projects, leasing and administration of commercial properties, building regulation, land development, and salevards and markets.

OTHER PROPERTY AND SERVICES

To monitor and control Council's overheads operating accounts.

Remaining activities not directly attributable to other programs such as private works, plant operations, public works overheads, and building maintenance overheads. The income and expenditure for Corporate Management, Financial Services, Human Resources and OHS, Governance, Records Management, Customer Services, Marketing and Communication, and Information Technology is also included here. The majority of costs are distributed across other programs of Council, to better reflect the total cost of service delivery.

All land (other than exempt land) in the Town of Port Hedland is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the Town of Port Hedland.

The general rates detailed for the 2019/20 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

FOR THE YEAR ENDED 30TH JUNE 2020

1. RATES AND SERVICE CHARGES (CONTINUED)

(c) Objectives and Reasons for Differential Rating

To provide equity in the rating of properties across the Town the following rate categories have been determined for the implementation of differential rating.

Differential general rate

Description	Characteristics	Objects and Reasons
GRV Residential	Means any land that is predominately used for singular and multi-dwellings and is zoned Residential/Rural Residential approved by the Town of Port Hedland planning department under the Town of Port Hedland Local Planning Scheme; OR Which is vacant of any construction and is zoned Residential/Rural Residential under the Town of Port Hedland Local Planning Scheme.	Revenue derived from this category assists funding to operate efficiently the service levels expected of the community, achieving the Strategic Community Plan 2018/2028 and the standard of performance to which the Council will be measured by the Residents of Port Hedland, State Government and others.
GRV Comercial / Industrial	Means any land identified land being used for either commercial or industrial operations or is vacant and undeveloped under the Town of Port Hedland Local Planning Scheme for Commercial & Industrial zoning. This includes but is not limited to the town centre, commercial business precincts, mixed business, shopping centres, airports, Wedgfield Industrial Estate and strategic industry, industrial, transport and light industry uses.	<p>The object of this differential rate is to apply rates to all income producing facilities, raising revenue to fund costs associated with the service provided to these properties, and to encourage commercial and industrial land owners to develop vacant land. Vacant land is often unsightly and unkempt, and is at risk of being used for illegal dumping of rubbish and other illegal purposes which can be a financial and personal burden on the Business Sector of the Town.</p> <p>The Town of Port Hedland also considers the development of vacant land to be in the best interests of the community. Vacant land alone does not contribute to the economy. However development will increase the street appeal, vibrancy of town centres and encourage local businesses to continue with growth and further improving and strengthening the economy at the same time also minimising and preventing land banking.</p> <p>Furthermore, the differential acknowledges costs associated with the provision and maintenance of infrastructure used by commercial or industrial businesses including road structure, lighting and drainage, car parking, landscaping and higher costs in relation to infrastructure and regulatory services</p>
GRV Mass Accommodation and Tourist Accommodation	Means any land whereby any approved transient workforce accommodation facilities are located; OR Approved and predominantly used for providing large scale accommodation for visitors to the Town as identified in the Town of Port Hedland Local Planning Scheme: Holiday Accommodation, Hotel, Lodge, Motel, Tourist Development and Tourism Resort.	<p>The object of this differential rate is to ensure that rates are distributed equitably between residents and non-residential workers, who spend a significant portion of the year in Port Hedland. Patrons and employees of these premises are consumers of services and facilities, however unless they are also property owners within the Town, they are not contributing to the costs of providing the services and facilities. Mass Accommodation properties have the potential to have a greater impact on Council services and assets than other properties due to their number of occupants in a relatively small land parcel.</p> <p>Furthermore, this differential recognises the costs associated with tourism and economic development activities, as well as the use of these properties predominately for business travel. The additional income from this rate in the dollar will be utilised to support the Town of Port Hedland's investment into Tourism infrastructure and visitor facilities. The rate for this differential has been reduced in line with the normalisation of the economic circumstances of the Town and the reduced reliance on these facilities as a Transient Workforce Accommodation</p>
UV Pastoral	Means any land that has been granted a pastoral leases under the repealed Land Act 1933; OR Renewal of pastoral leases (administered by the Department of Lands); OR Land predominately used for pastoral activities as defined in the Land Administration Act 1997.	<p>The object of this differential rate is to be the base rate by which all other UV rated properties are assessed. Raised revenue is to provide for rural infrastructure and services in addition to the Town services, facilities and infrastructure which are available to be accessed by the properties in this category. The Town has a continuing focus on development and diversification of Pastoral Properties in the region, encouraging development of tourism and rangeland activities in conjunction with reforms being introduced by the State Government, to support the opportunity for live cattle trade (Strategic Community Plan 2018-2028), and associated activities from the Port to further diversify the local economy.</p>

Description	Characteristics	Objects and Reasons
UV Mining and Other	<p>This rating category covers all Mining Leases and Licences, Exploration Licences, Prospecting Licences, Retention Licences, General Purpose Leases, Special Prospecting Licences for Gold and Miscellaneous Licences as defined under the Mining Act that has been granted;</p> <p>OR</p> <p>Predominately used for the purpose of resource processing;</p> <p>OR</p> <p>Predominately used for the purpose of stock piling;</p> <p>OR</p> <p>Does not have the characteristics of any other UV differential rate category.</p>	<p>The object of this differential rate is to reflect and raise revenue to manage the impact on the Town by mining and resource sectors.</p> <p>The impact on utilisation of urban and rural infrastructure by heavier transport and higher traffic volumes associated with resource sector operations supports the large investment that the Town of Port Hedland makes in road and road drainage infrastructure. This services remote mining activities on rural roads throughout the municipality and reflects the extra maintenance, impacts and frequency that is required to ensure a minimum level of serviceability is achieved. Along with additional costs associated with monitoring and managing the effects of environmental impacts relating to noise, dust, air pollution and smell, which are all considered here.</p> <p>In addition, these properties have access to all other service facilities provided by Council. Properties with a land use UV often have a State or Regional significance, some of which are subject to legacy State Agreements that limit the methods of valuation to UV restrictive formulae for calculation of valuation. The differential rate for this category is considered to levy a proportional comparative with their impact on local community (ie: Heavy haulage vehicle movement, environmental health and strategic planning).</p>

(d) Differential Minimum Payment

Description	Characteristics	Objects	Reasons
General Minimum	The General Minimum applies to all general rate categories with the exception of GRV Residential and UV Mining and Other.	The minimum rate is to ensure all ratepayers make a inimum contribution for all non-exclusive services.	The minimum rate recognises that all ratepayers have an equal opportunity to enjoy the facilities and services provided by Council, regardless of the value of their property.
GRV Residential	<p>Means any land that is predominately used for singular and multi-dwellings and is zoned Residential/Rural Residential approved by the Town of Port Hedland planning department under the Town of Port Hedland Local Planning Scheme;</p> <p>OR</p> <p>Which is vacant of any construction and is zoned Residential/Rural Residential under the Town of Port Hedland Local Planning Scheme</p>	The minimum rate is to ensure all ratepayers make a inimum contribution for all non-exclusive services.	The lower minimum rate applied to this category is designed to ensure Residential rate payers are not carrying an unreasonable level of the rate burden and is set at a level commensurate with estimated minimum contribution by each property to the cost of the services and infrastructure requirements.
UV Mining and Other	<p>This rating category covers all Mining Leases and Licences, Exploration Licences, Prospecting Licences, Retention Licences, General Purpose Leases, Special Prospecting Licences for Gold and Miscellaneous Licences as defined under the Mining Act that has been granted;</p> <p>OR</p> <p>Predominately used for the purpose of resource processing;</p> <p>OR</p> <p>Predominately used for the purpose of stock piling;</p> <p>OR</p> <p>Does not have the characteristics of any other UV differential rate category.</p>	The minimum rate is to ensure all ratepayers make a inimum contribution for all non-exclusive services.	A lesser minimum has been applied for this category to reflect the State Government amendment to the Valuation of Land Act 1978 with the objective of providing some minor rate relief to small tenement owners.

(e) Variation in Adopted Differential Rates to Local Public Notice

The following rates and minimum payments were previously set out in the local public notice giving notice of the intention to charge differential rates.

Differential general rate or general rate	Proposed Rate in \$	Adopted Rate in \$	Reasons for the difference
GRV Residential	9.72230	9.62890	In response to feedback received through public submissions regarding the GRV Residential category, and ensuring a uniform movement in the rate n the dollar increase across all categories.
GRV Comercial / Industrial	9.72220	9.62870	In response to feedback received through public submissions regarding the GRV Comercial/Industrial category, and ensuring a uniform movement in the rate n the dollar increase across all categories.
GRV Mass Accommodation and Tourist Accommodation	19.39580	19.20930	In response to prior year feedback from the Department of Local Government, Sport and Cultural Industries in relation to reducing reliance on Mass Accommodation, and ensuring a uniform movement in the rate n the dollar increase across all categories.
UV Pastoral	11.18600	11.07850	Ensuring a uniform movement in the rate n the dollar increase across all categories.
UV Mining and Other	19.94300	19.75130	In response to prior year feedback from the Department of Local Government, Sport and Cultural Industries in relation to reducing reliance on Mining, and ensuring a uniform movement in the rate n the dollar increase across all categories.

2 (b). NET CURRENT ASSETS (CONTINUED)

EXPLANATION OF DIFFERENCE IN NET CURRENT ASSETS AND SURPLUS/(DEFICIT)

Operating activities excluded from budgeted deficiency

When calculating the budget deficiency for the purpose of Section 6.2 (2)(c) of the *Local Government Act 1995* the following amounts have been excluded as provided by *Local Government (Financial Management) Regulation 32* which will not fund the budgeted expenditure.

Note	2019/20	2019/20	2018/19	2018/19
	Budget 30 June 2020	Budget 01 July 2019	Estimated Actual 30 June 2019	Budget 30 June 2019
	\$	\$	\$	\$
(i) Current assets and liabilities excluded from budgeted deficiency				
Net current assets	2	179,691,574	221,022,258	212,562,422
The following current assets and liabilities have been excluded from the net current assets used in the Rate Setting Statement.				
Adjustments to net current assets				
Less: Cash - restricted reserves	3	(195,352,136)	(231,740,263)	(224,198,634)
Less: Current assets not expected to be received at end of year

Adjusted net current assets - surplus/(deficit)		875,802	5,818,358	285,657
(ii) Operating activities excluded from budgeted deficiency				
The following non-cash revenue or expenditure has been excluded from operating activities within the Rate Setting Statement.				
Adjustments to operating activities				
Less: Transfer to/(from) Non Current		(924,160)	(924,160)	(924,160)
Add: Loss on disposal of assets	4(b)	71,091	230,567	14,127
Add: Depreciation on assets	5	8,471,832	7,765,846	14,259,481
Non cash amounts excluded from operating activities		7,618,763	7,072,253	13,349,448

(iii) Reason for adjustment to Adjusted net current assets - surplus/(deficit) on 1 July 2019

The Town has elected to retrospectively apply the cumulative effect of applying AASB 1058 Income of Not-for-Profit Entities at the date of initial application of the standard, being 1 July 2019. The impact of applying the standard was to recognise unspent grants and contributions for construction of recognisable non-financial assets controlled by the Town as a liability. The opening budgeted surplus/deficit on 1 July 2019 has been amended accordingly from the estimated actual closing surplus/deficit. Refer to note 16 for further explanation of the impact of the changes in accounting policies

**NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2020**

2 (c). NET CURRENT ASSETS (CONTINUED)

SIGNIFICANT ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Town's operational cycle. In the case of liabilities where the Town does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the Town's intentions to release for sale.

TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the Town prior to the end of the financial year that are unpaid and arise when the Town of Port Hedland becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

CONTRACT ASSETS

A contract asset is the right to consideration in exchange for goods or services the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

PROVISIONS

Provisions are recognised when the Town has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

INVENTORIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Superannuation

The Town of Port Hedland contributes to a number of superannuation funds on behalf of employees.

All funds to which the Town of Port Hedland contributes are defined contribution plans.

TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

CONTRACT LIABILITIES

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to be controlled by the Town are recognised as a liability until such time as the Town satisfies its obligations under the agreement.

EMPLOYEE BENEFITS

Short-term employee benefits

Provision is made for the Town of Port Hedland's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Town of Port Hedland's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The Town of Port Hedland's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

LAND HELD FOR RESALE

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

**NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2020**

3. RECONCILIATION OF CASH

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

	2019/20 Budget	2018/19 Actual	2018/19 Budget

SIGNIFICANT ACCOUNTING POLICES

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 2 - Net Current Assets.

SIGNIFICANT ACCOUNTING POLICIES

DEPRECIATION

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

RECOGNITION OF ASSETS

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Major depreciation periods used for each class of depreciable asset are:

Buildings	30 to 50 Years
Furniture and equipment	4 to 10 Years
Plant & Equipment	3 to 15 Years
Infrastructure - Sealed Roads and Streets	
formation	not depreciated
pavement	50 Years
seal	
- bituminous seals	20 Years
- asphalt surfaces	30 Years
Infrastructure - Gravel Roads	
formation	not depreciated
pavement	50 Years
gravel sheet	12 Years
Infrastructure - Formed Roads	
formation	not depreciated
pavement	50 Years
Infrastructure - Bridges	
superstructure	50 Years
substructure	100 Years
Infrastructure - Footpaths	20 Years
Infrastructure - Drainage	75 - 100 Years
Infrastructure - Parks and Ovals	10 - 80 Years
Infrastructure - Bus Shelters	15 Years
Infrastructure - Depot	20 - 180 Years

All borrowing repayments, other than self supporting loans, will be financed by general purpose revenue.
The self supporting loan(s) repayment will be fully reimbursed.

**NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2020**

6. INFORMATION ON BORROWINGS (CONTINUED)

(b) New borrowings - 2019/20

The Town does not intend to undertake any new borrowings for the year ended 30th June 2020

(c) Unspent borrowings

The Town had no unspent borrowing funds as at 30th June 2019 nor is it expected to have unspent borrowing funds as at 30th June 2020.

(d) Credit Facilities

	2019/20 Budget	2018/19 Actual	2018/19 Budget
	\$	\$	\$
Undrawn borrowing facilities			
credit standby arrangements			
Bank overdraft limit	0	0	0
Bank overdraft at balance date	0	0	0
Credit card limit	100,000	100,000	100,000
Total amount of credit unused	100,000	100,000	100,000
Loan facilities			
Loan facilities in use at balance date	0	0	20,238,277

The Town does not currently have access to an overdraft facility on its normal operating bank account. It is the Town's intention to utilise the funds held in the Financial Risk Reserves (note 7) for the purpose of not utilising external overdraft facilities for short periods from time to time during the financial year. The benefit to the Town is that financing costs are reduced by minimising the use of overdraft facilities. This advice is provided in the budget pursuant to section 6.11(3) of the *Local Government Act 1995*.

SIGNIFICANT ACCOUNTING POLICIES

BORROWING COSTS

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

(b) Cash Backed Reserves - Purposes

In accordance with Council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

Reserve name	Anticipated date of use	Purpose of the reserve
Employee Leave Reserve	Ongoing	To ensure that adequate funds are available to finance employee leave entitlements such as annual leave, long service leave, sick leave and redundancies.
Developer Contributions - Car Parking and Public Open Space Reserve	Ongoing	To hold contributions which arise from conditions applied to a Development Application for car parking and public open space.
Airport Reserve	2021/22	To fund the future Port Hedland International Airport major Works commitments.
Spoilbank Reserve	Ongoing	Funding the development of the Port Hedland Spoilbank Precinct.
Asset Management - Community Facilities and Infrastructure Reserve	Ongoing	To fund the ongoing maintenance, refurbishment, renewal, replacement and upgrade of Council owned infrastructure assets within the Town of Port Hedland and community facilities within the Town of Port Hedland, specifically (but not limited to): Wanangkura Stadium, South Hedland Aquatic Centre, Gratwick Aquatic Centre, Marquee Park and JD Hardie Centre.
GP Housing	Ongoing	To fund the development, maintenance and management of GP Housing.
Waste Management Reserve	Ongoing	To fund the development, operation, maintenance and capital expenditure for the Council's waste management facilities including the landfill and waste collection operations and any associated repayments of borrowings and employee entitlements.
Plant Reserve	Ongoing	To fund the Plant Replacement Program.
Unfinished Works & Committed Works Reserve	Ongoing	To transfer unspent Municipal funded expenditure on specific projects to enable identification of carryover expenditure into the next financial year.
Staff Housing Reserve	Ongoing	To fund the maintenance, refurbishment, redevelopment and construction of staff housing.
Strategic Reserve	Ongoing	To fund strategic projects (excluding renewal and replacement) as included in the Town's Strategic Community Plan and Corporate Business Plan. To fund strategic projects (excluding renewal and replacement) as included in the Town's Strategic Community Plan and Corporate Business Plan; and to fund the formulation and maintenance of the plans.
Unspent Grants, Loans & Contributions Reserve	Ongoing	To restrict unspent grants, loans and contributions at the end of the financial year.
PHIA Long Term Lease Proceeds Reserve	Ongoing	To account for the lease proceeds from the long term lease of the Port Hedland International Airport and disburse funds as per the Wealth Management Framework.
Historical	Ongoing	To fund historical building refurbishment projects.
Insurance Reserve	2018/19	To restrict unspent insurance income at the end of the financial year.
Cyclone Emergency Support Response	2019/20	To fund cyclone and emergency related projects.
Financial Risk Reserve	Ongoing	To provide funds to mitigate against Financial Risks including legal cases with penalties awarded against the Town. SAT rulings upholding valuation objections on high value properties likely to cause significantly large refunds and other unknown events potentially resulting in financial loss to the Town. This reserve is to be used as the Town's overdraft facility for the purpose of not utilising external overdraft facilities for short periods from time to time during the financial year.

NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2020

7. CASH BACKED RESERVES (CONTINUED)

(c) Cash Backed Reserves - Change in Use

The Town has resolved to make the following changes in the use of part of the money in a reserve account. This money is to be used or set aside for a purpose other than the purpose for which the account was established.

Cash Backed Reserve	Proposed new purpose of the reserve	Objects and Reasons of changing of the reserve	2019/20 Budget amount to be used	2019/20 Budget change of purpose
Financial Risk Reserve	To provide funds to mitigate against Financial Risks including legal cases with penalties awarded against the Town. SAT rulings upholding valuation objections on high value properties likely to cause significantly large refunds and other unknown events potentially resulting in financial loss to the Town. This reserve is to be used as the Town's overdraft facility for the purpose of not utilising external overdraft facilities for short periods from time to time during the financial year	To provide clarity on which reserve account will be utilised as a temporary overdraft facility as detailed in note 6(d). Using restricted reserve funds as a temporary overdraft facility to manage cash flow throughout the year reduced finance costs to the Town.	\$ 0	\$ 0

FOR THE YEAR ENDED 30TH JUNE 2020**

11. MAJOR LAND TRANSACTIONS

From time to time, the Town enters in to major land transactions with third parties or on its own. Set out below is a summary of major land transactions previously entered into by the Town, with financial implications relating to the 2019/20 financial year and beyond, together with new major land transactions anticipated to be entered into, that may have financial implications.

For the purpose of future year estimates, 1% CPI increase has been assumed for expenditure and 2% for lease revenue in line with the low inflationary economic environment. Loan repayments are as per individual loan payment schedules.

Kingsford Smith Business Park

(a) Details

Kingsford Smith Business park is an area of land between Wallwork Road and the Port Hedland International Airport.

In June 2012, the Town entered into a private treaty arrangement with BHP Billiton to facilitate the subdivision of a portion of an area of land previously known as Precinct 3, now formally known as Kingsford Smith Business Park. Under the arrangement, BHP Billiton constructed a 40 lot subdivision, 38 lots of which to be retained by the Town. Lot 34 of the development has been sold to BHP Billiton, utilising the site for a warehouse facility. Should BHP Billiton wish to dispose of the site, the Town holds the first right of refusal. Lot 35 was the subject of a lease agreement between the Town and BHP Billiton which has now been transferred to the Port Hedland International Airport under their lease agreement. The term of the lease is 10 years. In accordance with the terms of the lease, it was proposed that BHP Billiton would utilise the land for the purposes of non-residential workforce accommodation, up to 4,000 beds. The current planning approval for this development has lapsed and should BHP Billiton wish to construct the non-residential workforce accommodation a new planning approval will be required.

Handover of the land from BHP Billiton to the Town occurred in the 2014/15 financial year and as such the Town recognised a non-cash contribution and corresponding non cash asset acquisition (Real Estate Inventory). The Town now has a number of fully serviced lots within the KSBP, available for sale or lease. Proceeds from the sale of all lots will be allocated by the Town to the Asset Management - Infrastructure and Community Facilities reserve as per Council Decision CM201718/111 to fund asset renewal requirements for the Town in line with the Strategic Community Plan 2018-2028 and the Corporate Business Plan. Any associated rates revenue generated as a result of sale or lease will remain within normal Municipal operations. as will any interest earned on the investment of any such proceeds.

(b) Current year transactions

11. MAJOR LAND TRANSACTIONS (Continued)

Catamore Court

(a) Details

Following a request for proposal, Council resolved to enter into a Major Land Transaction with Megara Constructions for the construction of housing on a 9,070 square metre parcel of land at Catamore Court, South Hedland. The Town has undertaken subdivision construction works in conjunction with the Department of Housing at a cost of \$1.682m, funded predominantly by way of \$1.618m in loan funds. The subdivision construction is now complete.

The proposal from Megara involved the construction of 12 single family homes to be sold to the general public, and a 8 unit group dwelling that has been retained by the Town for staff housing. Construction of housing was contingent upon the presale of a minimum of 12 of the lots (with Lot 201 to be further subdivided) that will not remain with the Town.

The Town took possession of two further lots 2016/17 financial year, which will be held as non-current land held for resale, associated with the completion of the transaction.

11. MAJOR LAND TRANSACTIONS (Continued)

General Practitioner Housing

(a) Details

During 2010/11, the Town of Port Hedland undertook a General Practitioner (GP) housing project in conjunction with BHP Billiton and the State Government. The total scope of the project provided for a maximum yield of 23 lots. Stage 1 of this project resulted in the construction of seven residential premises for accommodation GP's. The Town funded its \$1.5m contribution by way of a loan. The Town owns the land and the houses.

Following an Expressions of Interest process, the Town allocated four houses to OSH Group and three to Sonic Health Plus on a lease term of three years. For the purposes of cash flow projections, the Town has assumed that a lease of some form, albeit with potentially amended parties and terms, will be entered into at the end of the current lease.

In October 2013, the Town endorsed the Business Case for Stage 2 of the GP Housing Project. The proposal would see the construction of a further 3 houses within the subdivision, to be fully funded and managed by BHP Billiton. The development was completed in December 2014 and the assets gifted to the Town. A non cash contribution and corresponding non cash asset acquisition was incorporated in the 14/15 Budget.

An Expressions of Interest process was completed in November 2014, allocating an additional house to OSH Group, one house to Wirraka Maya Health Service and one house to Port Hedland Family Practice. At the time of disposal of each of these leases, all ten agreements were brought in line with fresh lease terms of 3 years with one option to extend for a further 3 years.

9 of the properties have recently agreed to 12 month rental tenancy agreements commencing from September 2019, with the 10th property available to be confirmed.

FOR THE YEAR ENDED 30TH JUNE 2020**

13. INTERESTS IN JOINT ARRANGEMENTS

The Town of Port Hedland has a joint venture arrangement with the Department of Communities for the provision of 22 x 1 bedroom units for aged persons.

Based on information received after 30 June 2018, the Town has determined that all buildings at the Stevens Street Retirement Village are structurally unsound and no longer fit for purpose. In accordance with Australian Accounting Standard AASB 136 Impairment of Assets, and AASB 110 Events after the Reporting Period the Town has determined that all assets at Stevens Street are fully impaired and this was reflected in the financial statements for the year ended 30 June 2018.

SIGNIFICANT ACCOUNTING POLICIES

INTERESTS IN JOINT ARRANGEMENTS

Joint arrangements represent the contractual sharing of control between parties in a business venture where unanimous decisions about relevant activities are required.

Separate joint venture entities providing joint venturers with an interest to net assets are classified as a joint venture and accounted for using the equity method.

Joint venture operations represent arrangements whereby joint operators maintain direct interests in each asset and exposure to each liability of the arrangement. The Town of Port Hedland's interests in the assets liabilities revenue and expenses of joint operations are included in the respective line items of the financial statements.

**NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2020**

14. TRUST FUNDS

Funds held at balance date over which the local government has no control and which are not included in the financial statements are as follows:

**NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2020**

**15. SIGNIFICANT ACCOUNTING POLICIES - OTHER
INFORMATION**

GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

COMPARATIVE FIGURES

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

BUDGET COMPARATIVE FIGURES

Unless otherwise stated, the budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure.

REVENUE RECOGNITION

Accounting Policies for the recognition of income and revenue from contracts with customers is described in Note 16.

**NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2020**

**16. SIGNIFICANT ACCOUNTING POLICIES - CHANGE
IN ACCOUNTING POLICIES**

This note explains the impact of the adoption of AASB 15 Revenue from Contracts with Customers, AASB 16 Leases and AASB 1058 Income for Not-for-Profit Entities.

REVENUE FROM CONTRACTS WITH CUSTOMERS

The Town of Port Hedland adopted AASB 15 on 1 July 2019 resulting in changes in accounting policies. In accordance with the transition provisions AASB 15, the Town of Port Hedland has adopted the new rules retrospectively with the cumulative effect of initially applying these rules recognised on 1 July 2019. In summary the following adjustments were made to the amounts recognised in the balance sheet at the date of initial application (1 July 2019):

	AASB 118 carrying amount 30 June 19	Reclassification	AASB 15 carrying amount 01 July 19
	\$	\$	\$
Contract assets	0	1,137,828	1,137,828
Contract liabilities - current			
Unspent grants, contributions and reimbursements	0	390,203	390,203
Contract liabilities non-current			
Developer contributions	0	0	0
Adjustment to retained surplus from adoption of AASB 15		747,625	747,625

The Town acknowledges there may be future adjustments to the retained earnings for 1 July 2019 under AASB 15 for revenue paid in advance relating to the PHIA long term lease. The Town has engaged consultants to review the treatment of the standard on this transaction and we will implement any required non cash changes to the accounts in a budget review during the 19/20 Financial year.

LEASES

On adoption of AASB 16, the Town will recognise lease liabilities in relation to leases which had previously been classified as an 'operating lease' applying AASB 117. These lease liabilities will be measured at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate on 1 July 2019. The weighted average lessee's incremental borrowing rate applied to the lease liabilities on 1 July 2019 is 2.5%.

	Note	2019
		\$
Operating lease commitments disclosed as at 30 June 2019		72,640
Lease liability recognised as at 1 July 2019		
Discounted using the Town's incremental borrowing rate of 2.5%		70,360

Low-value leases recognised on a straight-line basis as an expense.

**NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30TH JUNE 2020**

**16. SIGNIFICANT ACCOUNTING POLICIES - CHANGE
IN ACCOUNTING POLICIES (Continued)**

INCOME FOR NOT-FOR-PROFIT ENTITIES

The Town of Port Hedland has adopted AASB 1058 from 1 July 2019 which resulted in changes in accounting policies. In accordance with the transition provisions AASB 1058, the Town of Port Hedland has adopted the new rules retrospectively with the cumulative effect of initially applying AASB 1058 recognised at 1 July 2019. Comparative information for prior reporting periods shall not be restated in accordance with AASB 1058 transition requirements.

In applying AASB 1058 retrospectively with the cumulative effect of initially applying the Standard on 1 July 2019 changes occurred to the following financial statement line items by application of AASB as compared to AASB 1004 Contributions before the change:

	AASB 1004 carrying amount 30 June 19	Reclassification	AASB 1058 carrying amount 01 July 19
	\$	\$	\$
Trade and other payables		229,010	229,010
Adjustment to retained surplus from adoption of AASB 1058		(229,010)	(229,010)

Prepaid rates are, until the taxable event for the rates has occurred, refundable at the request of the ratepayer. Therefore the rates received in advance give rise to a financial liability that is within the scope of AASB 9. On 1 July 2019 the prepaid rates were recognised as a financial asset and a related amount was recognised as a financial liability and no income was recognised by the Town of Port Hedland. When the taxable event occurs the financial liability is extinguished and the Town of Port Hedland recognises income for the prepaid rates that have not been refunded.

Assets that were acquired for consideration that was significantly less than fair value principally to enable the Town of Port Hedland to further its objectives may have been measured on initial recognition under other Australian Accounting Standards at a cost that was significantly less than fair value. Such assets are not required to be remeasured at fair value.

Volunteer Services in relation to Volunteer Fire Services have been recognised in budgeted revenue and budgeted expenditure as the fair value of the services can be reliably estimated and the services would have been purchased if they had not been donated.

Volunteer Services relating to natural disaster works and community events would have been purchased if they had not been donated. We intend on recognising their contribution and will make the relevant amendments in a future budget review.

The impact on the Town of Port Hedland of the changes as at 1 July 2019 is as follows:

	2019
	\$
Retained surplus - 30/06/2019	
Adjustment to retained surplus from adoption of AASB 15	747,625
Adjustment to retained surplus from adoption of AASB 16	70,360
Adjustment to retained surplus from adoption of AASB 1058	(229,010)
Retained surplus - 01/07/2019	588,974

Town of Port Hedland 2019/20 Fees and Charges Schedule

Description	GST			18/19 Total Fee	Unit	19/20 Fee	GST	19/20 Total Fee
	Discretionary	Regulatory	Exempt					
Companion Card								
The Western Australian Companion Card Program promotes the right of people with a disability to fair ticketing at entertainment venues. The Town of Port Hedland supports and affiliates with this program (Council Decision 201314/255). Holders of a Companion Card will have their fee waived when attending ticketed entertainment/facilities to support a person with a disability. The purpose of the Companion Card is to ensure that people who are unable to attend venues and events without a companion to provide attendant care support, are not charged two admission fees. The following Town of Port Hedland facilities recognise the Companion Card Program:								
- Wanangkura Stadium - Gratwick Aquatic Centre - South Hedland Aquatic Centre - JD Hardie Centre - Matt Dann Cultural Centre - Library Workshops								

Pensioner Definition
An eligible pensioner is a pensioner as defined in the Rates and Charges (Rebates and Deferments) Act 1992 section 3(1).

Community Group Definition
To qualify for the Community Group Rate as set out below, clubs and organisations are required to provide documentary evidence that clearly establishes that they are a Community Organisation as defined by the ATO. The Australian Tax Office (ATO) defines community organisations as "any organisation engaged in charitable or other community based activity operating under Australian law and not established for the purpose of making a profit." This documentation may be in the form of the organisations constitution, ABN status or documentation stating their dissolution clause and or non-profit clause.
