- (2) The water supply shall at all times be capable of delivering an adequate supply of water to each tap in the house.
- (3) The water supply to toilets or for garden use may be from a source other than drinking water.

### **3.8 Rain water tanks**

- (1) The owner or occupier of a house for which part of the water supply is drawn from a rain water tank shall—
  - (a) maintain in a clean condition—
    - (i) the roof, guttering and downpipes forming the catchment for the tank; and
    - (ii) the guttering and downpipes appurtenant to the roof;
  - (b) ensure that each rain water tank is fitted with a tight-fitting mosquito proof cover which shall not be removed at any time except for the purpose of cleaning, repairing or maintaining the tank; and
  - (c) thoroughly clean and disinfect such tank, at least once in each year, or whenever directed by an EHO to do so.
- (2) The owner or occupier of a house for which its entire water supply is drawn from a rain water tank shall ensure that the storage capacity of the tank is not less than 90 000 litres.
- (3) The owner or occupier of any non-residential premises on which rainwater and/or borewater is used for human consumption shall—
  - (a) once every calendar month, have the bacterial quality of each individual water source tested in accordance with the Australian Drinking Water Guidelines 2004, published by the National Health and Medical Research Council;
  - (b) disinfect the water supply prior to entry into the premises and monitor and record the level of disinfection and pH of the water on a daily basis;
  - (c) where chlorine is used as the method of disinfection, ensure a free residual chlorine level of between 0.2 milligrams per litre and 0.5 milligrams per litre in the water received from any outlet used for drinking purposes; and
  - (d) ensure the pH of the water received from any outlet used for drinking purposes is maintained between 7.2 and 7.8.

### **3.9 Wells**

The owner or occupier of any premises must not use, or permit for human consumption, the use of the water of any bore or well unless the bore or well is—

- (a) at least 30 metres from any soak well or other possible source of pollution unless otherwise approved by the Executive Director, Public Health; and
- (b) covered with a tight-fitting cover without openings of any sort other than those essential for the insertion of a pump.

### **3.10 Pollution**

A person must not deposit on or under any land, any sewage, offensive matter or any other thing, which may pollute or render unfit for human consumption, water from a well or other underground source.

#### *Division 4—Second-hand furniture, bedding and clothing*

### **3.11 Prohibition on sale**

A person shall not offer for sale or sell any second-hand furniture, bedding or clothing which is filthy or infested with vectors of disease.

  - (iv) the top to be completely covered by a tarpaulin or other impervious sheet material approved by an EHO, carried over, and secured to the outside of the walls at least 300 millimetres from the top so as to keep the load out of sight of the public; or
- (b) a watertight durable and impervious container fitted with a lid which can be tightly closed.

(2) A person shall not transport any butchers waste in a vehicle unless the vehicle and its fittings, including the compartment or container referred to in this clause, are—

- (a) maintained in good order and condition; and
- (b) thoroughly cleaned at the conclusion of each day's work.

(3) A person shall not load, transport, or unload butchers waste in a manner that is or may be offensive due to—

- (a) the sight of animal skeletons, bones, offal or waste matter;
- (b) the odour of putrefaction, offal or waste matter; or
- (c) the presence of blood and particles of flesh or fat dropping onto the surface of the street pavement or ground

## Part 5 – Nuisances and general

### Division 1—Nuisances

#### 5.1 Interpretation

In this Part, unless the context otherwise requires—

**fertiliser** includes manure; and

**public vehicle** means any vehicle to which the public ordinarily has access, whether by payment of a fee or not and includes a taxi or bus.

#### 5.2 Footpaths etc, to be kept clean

An owner or occupier of premises shall maintain any footpath, pavement, area or right of way

immediately adjacent to the premises, clear of any rubbish, matter or things coming from or belonging to the premises.

### **5.3 Public vehicles to be kept clean**

The owner or person in control of a public vehicle must—

- (a) maintain the vehicle at all times—
  - (i) in a clean condition; and
  - (ii) free from vectors of disease; and
- (b) whenever directed to do so by an EHO, thoroughly clean and disinfect the vehicle as directed.

### **5.4 Transportation, use and storage of offal or blood**

A person must not transport or store offal or blood, for the purpose of being used as manure, unless it has been sterilised by steam and properly dried.

### **5.5 Use or storage of fertiliser**

An owner or occupier of premises must not use, or keep for the purpose of use, as fertiliser any—

- (a) pig manure;
- (b) human faeces; or
- (c) urine.

### **5.6 Storage and dispatch of artificial fertiliser**

An owner or occupier of premises where artificial fertiliser is stored in bulk for sale must—

- (a) keep all artificial fertiliser in a building—
  - (i) of which the walls, floors and ceilings or undersides of the roof are constructed of durable and non-absorbent materials finished internally with a smooth surface; and
  - (ii) free from damp and properly ventilated;
- (b) take proper precautions to prevent the emission of dust or offensive effluvia from the building; and
- (c) ensure that all artificial fertiliser dispatched from the premises is packed in a manner that prevents any nuisance arising during transit.

### **5.7 Storage of fertiliser in a house**

The owner or occupier of a house where fertiliser or compost is stored or used must—

- (a) prevent the escape of odours, dust or particles of fertiliser or compost;
- (b) treat the fertiliser or compost in a manner that effectively prevents it attracting or being a breeding place for flies or other vectors of disease; and
- (c) store only those amounts of fertiliser or compost—
  - (i) that can readily be used within a reasonable period; or
  - (ii) as may be directed by the local government

*Division 2—Slaughtering and disposal of animals*

### **5.8 Slaughter of animals**

- (1) Subject to subclause (2), a person, unless exempted under Regulation 20 of the *Food Regulations 2009*, shall not slaughter any animal within the district.
- (2) Subclause (1) does not apply to—
  - (a) euthanasia of animals by veterinarians or other duly authorised persons;
  - (b) slaughter of animals for the purposes of pet meat and game meat operations; and
  - (c) slaughter of animals for human consumption in abattoirs approved by the local government.

## **5.9 Disposal of dead animals**

- (1) An owner or operator of a veterinary practice where dead animals are kept for more than 12 hours shall refrigerate the carcasses prior to their removal and disposal, at an approved disposal site.
- (2) An owner or occupier of premises, other than a veterinary practice, on which there is a dead animal, shall, as soon as possible, remove the carcass for its disposal at an approved disposal site.
- (3) An owner, or a person having the care of any animal that dies or is killed in a public or private place, shall, as soon as possible, remove the carcass and arrange for its disposal at an approved disposal site, except where it may be buried on a property zoned rural under the Local Planning Scheme by the owner.

## **Part 6 – Pest control**

### *Division 1-Flies*

#### **6.1 Interpretation**

In this Division, unless the context otherwise requires—

*flies* means any of the two-winged insects constituting the order Diptera commonly known as flies.

#### **6.2 Fly breeding matter not to be left on premises unless covered or treated**

An owner or occupier of premises shall not place, throw, leave, or permit or cause to be placed, thrown or left in, on or about the premises, any matter or thing which is liable to attract or be a breeding place for flies, unless that matter or thing is covered, protected, treated or dealt with in such a manner as to effectively prevent it from attracting or being a breeding place for flies.

#### **6.3 Measures to be taken by an occupier**

An owner or occupier of premises shall ensure that—

- (a) rubbish receptacles are kept clean and tightly sealed at all times except when refuse is being deposited or emptied;
- (b) food scraps and uneaten pet food are wrapped tightly and deposited in a rubbish receptacle without delay;
- (c) lawn clippings used on gardens as mulch are raked out thinly;
- (d) fertilisers are dug well into the soil;
- (e) compost heaps are kept well covered;
- (f) barbecues are kept clean and free from food scraps;

- (g) anything that is buried and may attract or be a breeding place for flies is covered with at least 100 millimetres of soil; and
- (h) excrement from pets is collected and properly disposed of without delay.

#### **6.4 EHO may give notice directing measures to be taken**

Where, in the opinion of an EHO, flies are prevalent or are breeding on any premises, an EHO may give to the owner or occupier of the premises notice in writing directing him or her to take, within the time specified in the notice, such measures as in the opinion of an EHO are necessary to—

- (a) control the prevalence;
- (b) effect the eradication; or
- (c) effectively prevent the breeding,

of flies.

#### **6.5 Local government may execute work and recover costs**

(1) Where—

- (a) a person is required under this Division or directed by a notice given under clause 6.4, to execute any work; and
- (b) that person fails or neglects to comply with the requirement,

the local government may execute the work and may recover from that person the cost of executing the work in addition to any penalty for which that person may be liable under these local laws.

- (2) The costs and expenses incurred by the local government in the execution of a power under subclause (1) may be recovered in a court of competent jurisdiction from the person referred to in subclause (1).
- (3) The local government shall not be liable to pay compensation or damages of any kind to the person referred to in subclause (1) in relation to any action taken by the local government under this clause, other than compensation or damages for loss or damage suffered because the local government acted negligently or in breach of duty.

#### *Division 2—Mosquitoes*

#### **6.6 Interpretation**

In this Division, unless the context otherwise requires—

**mosquitoes** means any of the insects constituting the family Culicidae in the order Diptera commonly known as mosquitoes.

#### **6.7 Measures to be taken to prevent mosquitoes breeding**

(1) An owner or occupier of premises shall ensure that the premises are kept free from possible mosquito breeding sites and shall—

- (a) follow any direction or notice of an EHO for the purpose of—
  - (i) controlling the prevalence of mosquitoes;
  - (ii) eradication of mosquitoes; or
  - (iii) effectively preventing the breeding of mosquitoes; and
- (b) assist an EHO to locate any possible mosquito breeding sites that may be present in or about the premises.

- (2) An owner or occupier of any premises where water is kept in a horse trough, poultry drinking vessel or other receptacle shall—
  - (a) frequently change the water; and
  - (b) keep the water clean and free from vegetable matter and slime.
- (3) An owner or occupier of premises, where a septic tank is installed, shall ensure the fixture is in a sound condition at all times, with the inclusion of mesh covering any educt vent to the system, with openings no larger than 1.2 millimetres. Where there is a swimming pool on any premises where the circulation system does not function, or has not been used such that the pool water is green or stagnant and suitable for breeding mosquitoes, the owner or occupier shall, when required by a notice issued by an EHO—
  - (a) reactivate the pool circulation system within a time specified and operate it so that the water is filtered for as many hours as may be specified; and/or
  - (b) chlorinate and adjust the pH of the pool to—
    - (i) 4 milligrams per litre free chlorine; and
    - (ii) pH within the range 7.2-7.6; or
  - (c) empty or drain the pool; or
  - (d) add a larvicide to the pool at the specified rate; and
  - (e) maintain the pool water free of mosquito breeding.
- (4) An owner or occupier of land shall cause all drains and channels in or on the land to be kept in good order and free from obstruction.

#### **6.8 Local government may execute work and recover costs**

- (1) Where—
  - (a) a person is required under this Division or directed by a notice given under clause 6.7 to execute any work; and
  - (b) that person fails or neglects to comply with the requirement,
 the local government may execute the work and recover from that person the cost of executing the work, in addition to any penalty for which that person may be liable.
- (2) The costs and expenses incurred by the local government in the execution of a power under subclause (1) may be recovered in a court of competent jurisdiction from that person.
- (3) The local government is not liable to pay compensation or damages of any kind to the person referred to in subclause (1) in relation to any action taken by the local government under this clause, other than compensation or damages for loss or damage suffered because the local government acted negligently or in breach of duty.

#### *Division 3—Rodents*

#### **6.9 Interpretation**

**rodents** means those animals belonging to the order Rodentia and includes rats and mice but does not include native rodents, laboratory bred rats and mice, or those kept as pets in an enclosure designed for the purpose of keeping as pets, animals of that kind.

#### **6.10 Measures to be taken to eradicate rodents**

- (1) An owner or occupier of any premises, shall at all times take effective measures to eradicate any rodents and prevent the harbourage or potential harbourage of rodents in or

on the premises.

- (2) An EHO may direct, orally or in writing, an owner or occupier of premises to take whatever action, in the opinion of an EHO, is necessary or desirable to prevent or deter the presence of rodents in or on the premises.
- (3) An owner or occupier shall, within the time specified, comply with any direction given by an EHO under this clause.

#### **6.11 Waste food etc to be kept in rodent proof receptacles**

A person must not store, or allow to be stored, on any premises, any food, refuse or other waste matter unless it is contained in a rodent proof receptacle or compartment.

#### **6.12 Restrictions on keeping of rodents**

A person or body who keeps rodents shall—

- (a) at all times ensure that all live rodents are kept in the effective control of a person or in locked cages; and
- (b) if a rodent escapes—
  - (i) forthwith take all reasonable steps to destroy or recapture the rodent; and
  - (ii) comply with the requirements of clause 6.10.

#### *Division 4—Cockroaches*

#### **6.13 Interpretation**

In this Division, unless the context otherwise requires—

**cockroach** means any of the various orthopterous insects commonly known as cockroaches.

#### **6.14 Measures to be taken to eradicate cockroaches**

- (1) An owner or occupier of premises shall take effective measures to eradicate any cockroaches in or on the premises.
- (2) An EHO may direct, orally or in writing, an owner or occupier of premises to take whatever action that, in the opinion of the EHO, is necessary or desirable to prevent or deter the presence of cockroaches in or on the premises.
- (3) An owner or occupier shall, within the time specified, comply with any direction given by an EHO under this clause.

#### *Division 5—Argentine Ants*

#### **6.15 Interpretation**

In this Division, unless the context otherwise requires—

**Argentine Ant** means an ant belonging to the species *Linepithema humile* (formally *Iridomyrmex humilis*).

#### **6.16 Measures to be taken to keep premises free from Argentine Ants**

An owner or occupier of premises shall ensure that the premises are kept free from Argentine Ant colonies and shall—

- (a) take all steps to locate any nests if Argentine Ants are noticed in, on or about the premises;
- (b) properly treat all nests of Argentine Ants with an approved residual based insecticide; and

- (c) whenever required by an EHO—
  - (i) treat any area or infestation with an insecticide referred to in paragraph (b); and
  - (ii) remove any objects, including timber, firewood, compost or pot plants in accordance with a direction from an EHO.

*Division 6-European Wasps*

**6.17 Interpretation**

In this Division, unless the context otherwise requires—

**European Wasp** means a wasp belonging to the species *Vespula germanica*.

**6.18 Measures to be taken to keep premises free from European Wasp nests**

An owner or occupier of premises shall ensure that the premises are kept free from European Wasp nests and shall—

- (a) follow any direction of an EHO for the purpose of destroying the European Wasps and their nests; and
- (b) assist an EHO, or his or her representative, to trace any nest that may be present in, on or about the premises.

*Division 7-Arthropod vectors of disease*

**6.19 Interpretation**

**6.20 Responsibility of the owner or occupier**

The owner or occupier of premises shall—

- (a) keep the premises and any person residing in or on the premises, free from any arthropod vectors of disease; and
- (b) comply with the direction of an EHO to treat the premises, or anything on the premises, for the purpose of destroying any arthropod vectors of disease.

**Part 7 – Infectious diseases**

*Division 1-General provisions*

**7.1 Requirements on owner or occupier to clean, disinfect and disinfest**

- (1) The local government or an EHO may, by notice in writing, direct an owner or occupier of premises, within the time and in the manner specified in the notice, to clean, disinfect and disinfest—
  - (a) the premises; or

(b) such things in or on the premises as are specified in the notice,  
or both, to the satisfaction of the EHO.

(2) An owner or occupier shall comply with a notice given under subclause (1).

### **7.2 EHO may disinfect or disinfest premises**

(1) Where the local government or the medical officer is satisfied that any case of infectious disease has occurred on any premises, the local government or the medical officer may direct an EHO, other local government officer or other person to disinfect and disinfest the premises or any part of the premises and anything in or on the premises.

(2) An owner or occupier of premises shall permit, and provide access to enable an EHO, other local government officer or other person to carry out the direction given under subclause (1).

(3) The local government may recover, in a court of competent jurisdiction, the cost of carrying out the work under this clause from the owner or occupier of the premises in or on which the work was carried out.

(4) The local government shall not be liable to pay compensation or damages of any kind to the owner or occupier of premises in relation to any action taken by the local government or any of its staff or employees under this clause, other than compensation or damages for loss or damage suffered because the local government acted negligently or in breach of duty.

### **7.3 Insanitary houses, premises and things**

(1) An owner or occupier of any house or premises shall maintain the house or premises free from any insanitary condition or thing.

(2) If the local government considers that a house is insanitary, it may, by notice in writing, direct an owner of the house, within the time and in the manner specified in the notice, to destroy or amend the house.

(3) Where an EHO considers that—

(a) a house or premises is not being maintained in a sanitary condition; or

(b) any thing is insanitary,

the EHO may, by notice in writing, direct, as the case may be—

(i) the owner or occupier of the house or premises to amend any insanitary condition; or

(ii) the owner or occupier of the thing to destroy or amend it,

within the time and in the manner specified in the notice.

(4) A person to whom a notice has been given under subclauses (2) or (3) shall comply with the terms of the notice.

### **7.4 Persons in contact with an infectious disease sufferer**

If a person in any house is, or is suspected of, suffering from an infectious disease, any occupant of the house or any person who enters or leaves the house—

(a) shall obey such instructions or directions as the local government or the medical officer may issue; and

(b) may be removed, at the direction of the local government or the medical officer to isolation in an appropriate place to prevent or minimise the risk of the infection spreading and if so removed, shall remain in that place until the medical officer otherwise directs.

### **7.5 Declaration of infected house or premises**

- (1) To prevent or check the spread of infectious disease, the local government or the medical officer may from time to time declare any house or premises to be infected.
- (2) A person shall not enter or leave any house or premises declared to be infected, without the written consent of the medical officer or an EHO.

### **7.6 Destruction of infected animals**

- (1) An EHO, upon being satisfied that an animal is or may be infected or is liable to be infected or to convey infection may, by notice in writing, direct that the animal be examined by a registered veterinary officer and all steps taken to enable the condition to be controlled or eradicated or the animal destroyed and disposed of—
  - (a) in the manner and within the time specified in the notice; and
  - (b) by the person in whose possession, or upon whose premises, the animal is located.
- (2) A person who has in his or her possession or upon premises occupied by him or her, an animal which is the subject of a notice under subclause (1), shall comply with the terms of the notice.

### **7.7 Disposal of a body**

- (1) An occupier of premises in or on which is located the body of a person who has died of an infectious disease shall, subject to subclause (2), cause the body to be buried or disposed of in such manner, within such time and with such precautions as may be directed by the medical officer.
- (2) A body shall not be removed from premises where death occurred except to a cemetery or morgue.

### **7.8 Local government may carry out work and recover costs**

- (1) Where—
  - (a) a person is required under this Division or by a notice given under this Division, to carry out any work; and
  - (b) that person fails or neglects to comply with the requirement,that person commits an offence and the local government may carry out the work or arrange for the work to be carried out by another.
- (2) The costs and expenses incurred by the local government in the execution of a power under this clause may be recovered in a court of competent jurisdiction from the person referred to in subclause (1)(a).
- (3) The local government shall not be liable to pay compensation or damages of any kind to the person referred to in subclause (1)(a) in relation to any action taken by the local government under this clause, other than compensation or damages for loss or damage suffered because the local government acted negligently or in breach of duty.

#### *Division 2—Disposal of used condoms and needles*

### **7.9 Disposal of used condoms**

- (1) An occupier of premises on or from which used condoms are produced shall ensure that the condoms are—
  - (a) placed in a sealed impervious container and disposed of in a sanitary manner; or
  - (b) disposed of in such a manner as may be directed by an EHO.

- (2) A person shall not dispose of a used condom in a public place except in accordance with subclause (1).

#### 7.10 Disposal of used needles

A person shall not dispose of a used hypodermic syringe or needle in a public place unless it is placed in an impenetrable, leak-proof container and deposited in a refuse receptacle.

## Part 8 – Lodging houses

### *Division 1-Registration*

#### 8.1 Interpretation

- (1) In this Part, unless the context otherwise requires—

**bed** means a single sleeping berth only, and a double bed provided for the use of couples has the same floor space requirements as 2 single beds;

**bunk** means a sleeping berth comprising 1 of 2 beds arranged vertically;

**dormitory** means a building or room utilised for sleeping purposes at a short term hostel or a recreational campsite;

**Food Standards Code** means the Australia New Zealand Food Standards Code as defined in the Commonwealth *Food Standards Australia New Zealand Act 1991*;

- (c) accompanied by—
  - (i) the approved fee as fixed from time to time by the local government under section 344C of the Act; and
  - (ii) detailed plans and specifications of the lodging house.

## **8.4 Approval of application**

The local government may approve, with or without conditions, an application by issuing to the applicant a certificate of registration in the form approved by the local government from time to time.

### **8.5 Renewal of registration**

A person who keeps a lodging house which is registered under this Part shall—

- (a) during the month of May in each year apply to the local government for the renewal of the registration of the lodging house in the form approved by the local government from time to time; and
- (b) pay the approved fee as fixed from time to time by the local government under section 344C of the Act at the time of making each application for renewal.

### **8.6 Notification upon sale or transfer**

If the owner of a lodging house sells or transfers, or agrees to sell or transfer, the lodging house to another person, he or she shall, within 14 days of the date of sale, transfer or agree to give to the local government, in the form approved by the local government from time to time, written notice of the full name, address and occupation of the person to whom the lodging house has been, or is to be, sold or transferred.

### **8.7 Revocation of registration**

- (1) Subject to subclause (3), the local government may, at any time, revoke the registration of a lodging house for any reason which, in the opinion of the local government, justifies the revocation.
- (2) Without limiting the generality of subclause (1), the local government may revoke a registration upon any one or more of the following grounds—
  - (a) that the lodging house has not, to the satisfaction of the local government, been kept free from vectors of disease or remained in a clean and sanitary condition;
  - (b) that the keeper has—
    - (i) been convicted of an offence against this local law in respect of the lodging house;
    - (ii) not complied with a requirement of this Part; or
    - (iii) not complied with a condition of registration;
  - (c) that the local government, having regard to a report from the Police Service, is satisfied that the keeper or manager is not a fit and proper person; and
  - (d) that, by reason of alterations or additions or neglect to repair and renovate, the condition of the lodging house is such as to render it, in the opinion of the local government, unfit to remain registered.
- (3) Before revoking the registration of a lodging house under this local law, the local government shall give notice to the keeper requiring him or her, within a time specified in the notice, to show cause why the registration should not be revoked.
- (4) Whenever the local government revokes the registration of a lodging house, it shall give the keeper notice of the revocation and the registration shall be revoked as from the date on which the notice is served on the keeper.

#### *Division 2—Construction and use requirements*

### **8.8 General construction requirements**

The construction of a lodging house shall comply with the Building Code and the Act.
