

Pilbara's Port City Growth Plan

Feedback form

Pilbara's Port City Growth Plan will be Council's key strategic document which will guide the growth of the town into a regional City of 50,000 by 2035.

This is your opportunity to review the draft document which has been developed with you and your community in mind. Extensive consultation has been undertaken with the Town's partners, stakeholders and the wider community to ensure the document is reflective of the community's vision for their Pilbara's Port City.

The Town of Port Hedland is leading the Pilbara's Port City Growth Plan project in partnership with Pilbara Cities and WA Department of Planning.

Closing date for submissions is close of business Thursday 23 November and must be addressed to Director Planning and Development, PO Box 41, Port Hedland, WA, 6721 or email council@porthedland.wa.gov.au.
