

## **1/019 COUNCIL MEETINGS AND FORUMS**

### Objective

The objective of this policy is to guide a functional, transparent, and legally compliant framework of meetings and forums that:

- Engages the elected members in policy, strategy, and other important complex issues from concept through to adoption:
- Provides an opportunity for elected members to participate in the Council's policy and strategy development agenda in collaboration with the Town's executive and other staff.
- Results in proper and appropriate decision making.
- Establishes timeframes within meeting cycles that provide elected members with the proper opportunity to absorb and comprehend advice and information.

### Scope

The scope of this Policy covers ordinary and special council meetings, agenda council forums comprising of agenda briefings, council briefings and council workshops.

### Statement

#### Ordinary Council Meetings

Ordinary council meetings are the principal assembly in which decisions are made by the Council, the peak decision-making body of the Town of Port Hedland.

Meetings are to be convened on the last Wednesday of the month commencing at 5:30pm and conducted in the Town of Port Hedland Council Chambers.

The agenda papers for the council meeting are to be distributed to elected members by 4:00pm on the Friday immediately preceding the ordinary council meeting.

An ordinary council meeting is to be conducted in accordance with the *Local Government Act 1995* ('the Act'), the *Local Government (Administration) Regulations 1996* and the Town of Port Hedland Standing Orders Local Law 2014.

#### Council Forums

The principal objective of a council forum is to facilitate the exchange of information and knowledge between the elected members and the administration. The subject matter of a council forum will generally lead to decision making at an ordinary council meeting.

A council forum is not convened under the provision of Act and, therefore, the guidelines relating to procedural and behavioural control is recommended in the

"Local Government Operational Guidelines - Council Forums" are to be applied to this policy.

- The Mayor is to control and chair the council forum and all questions and discussions are to be directed through the chair.
- In the absence of the Mayor, the Deputy Mayor is to preside and in the absence of both the Mayor and the Deputy Mayor, a councillor elected by the majority of councillors present is to preside.
- There is to be no decision making, whether implied or otherwise, at a council forum.
- The declaration of interest provisions applying to council meetings are to apply to a council forum.
- A record is to be kept of opening and closing times, attendance, declaration of interest and request for information.
- A schedule of the next 3 months' council forums is to be listed as an item of business in the ordinary council meeting agenda for endorsement. A change to the schedule can be decided by a resolution of Council as part of the endorsement process. The implementation of the schedule is subject to the availability of presenters, relevant information, and other logistical considerations.

The Town of Port Hedland has three categories of council forum as follows:

1. agenda briefing;
2. council briefing; and
3. council workshop

### Agenda Briefing

An agenda briefing is the forum at which the elected members can ask questions, seek clarification, and request further information on all matters due for deliberation and consideration at the forthcoming ordinary council meetings.

The agenda briefing is closed to the public.

Debating "Debate style" discussion or any statements or expression that might influence or indicated the way in which a council member might vote is not permitted.

An item to be addressed is to be limited to a matter on the agenda which is to be subject to deliberation at the next ordinary council meeting.

An agenda briefing is to be convened on the third Wednesday (or 7 days prior to the Ordinary Council Meeting) of the month commencing at 5:30pm and conducted in the Town of Port Hedland Council Chambers.

Agenda briefing papers are to be distributed to the elected members by 4:00pm on the Thursday immediately preceding the agenda briefing. A request from an elected

member for more information or advice is to be recorded and a response is to be circulated to all elected members in a timely manner.

An elected member who intends to submit an alternate motion (i.e. a motion which is materially different to an officer's recommendation) should preferably give notice to do so at the agenda briefing but, in any case, by 4:00pm on the Friday immediately preceding the ordinary council meeting.

### *Council Briefing*

A council briefing is a forum at which a staff member or consultant will deliver a presentation, informed by previously distributed supporting materials with the opportunity for questions and feedback from the elected members.

A council briefing is not to be open to public.

There is limited time available and a relatively high demand for council briefings.

Consequently, the CEO is to ensure that any item put on the agenda is absolutely essential and that the complexity of the subject matter is such that it cannot be suitably explained by other means such as a comprehensive officer's report via the agenda briefing, a video presentation or a report on the Town intranet or similar means.

All briefings must provide sufficient time at the conclusion of presentations for questions, comments, and requests for clarification from elected members.

As a council briefing is not open to the public and does not involve any decision making or formal consideration of matters requiring a decision, there are to be matters which, by their nature, are not to be considered.

Those matters include:

- An application for development approval;
- A recommendation in relation to applications for subdivision approval;
- An initiation of local planning scheme amendment or a rezoning;
- Consideration of a proponent's structure plan; and
- An application for a licence, permit, approval, or authorisation under a local law.

Council Briefings are convened on selected Mondays and Wednesday of the month commencing at 5:30pm and conducted in the Town of Port Hedland Council Chambers.

Briefing papers and supporting information are to be distributed to the elected members so as to provide five clear working days' notice.

### *Council Workshop*

A Council Workshop is a forum at which the elected members and the staff engage in a facilitated discussion on new or major revision of policy and strategy, the allocation and oversight of financial resources or other important complex issues. A council workshop is not open to the public.

The CEO and Mayor are to ensure that workshop participants can effectively express themselves and uniform concepts, themes and collective desires can be distilled and summarised. Where practicable, relevant staff should undertake appropriate training in workshop facilitation.

Appendix A contains clear direction on the timing and subject matter of important items requiring facilitated discussion on a year in, year out basis.

A discussion paper on the subject matter in the format provided for in Appendix B may be used to inform the council workshop.

The summarised outcomes of a council workshop are to be used by the CEO to inform the development of all Town of Port Hedland policy and strategy and advocacy positions on complex matters.

Council workshops are convened on selected Mondays and Wednesdays commencing at 5:30pm and conducted in the Town of Port Hedland Council Chambers. Discussion papers and other informing documents are to be distributed to the elected members as to provide five clear working days' notice.
