Tender Title:	**Demolition, Fabrication and Installation of Two Modular Ablution Blocks – Cemetery Beach Park**
Tender Description:	The Town of Port Hedland (the Town) is undertaking the renewal of the existing public ablution facilities at Cemetery Beach as part of its annual asset renewal programs. The two (2) current ablution facilities at Cemetery Beach have reached the end of their useful asset life and have frequently been out of service for extended periods, leading to a loss of amenity and service provision for the park's patrons. This renewal will improve public amenity, increase accessibility compliance and improve safety at this high-use coastal location, while also reducing long-term maintenance requirements. Each of the two (2) existing ablution blocks are to be removed and replaced with a single ablution structure with two (2), Universally Accessible Toilets (UAT), inclusive of all required services, connections and fittings.
