2.4 ELECTION OF CHAIR AND DEPUTY CHAIR (File No.: ADM-035)

2.4.1 Election of Chairperson

Section 5.12 and Schedule 2.3 of the *Local Government Act 1995* (Act) requires that a committee elect a chairperson.

The appointment is for a two year term, with the position being considered following every ordinary election of the Town of Port Hedland Council. Should there be more than one nomination, it will be necessary for a secret ballot to be held to elect a committee member to the position in accordance with the *Local Government Act 1995*.

Under Schedule 2.3, Part 4 of the *Local Government Act 1995*, the procedure for electing the Chairperson is as follows:-

- (1) The committee is to elect a committee member to fill the office.
- (2) The election is to be conducted by the Chief Executive Officer in accordance with the procedure prescribed.
- (3) Nominations for the office are to be given to the Chief Executive Officer in writing, before the meeting or during the meeting before the close of nominations.
- (3a) Nominations close at the meeting at a time announced by the Chief Executive Officer, which is to be a sufficient time after the announcement by the Chief Executive Officer that nominations are about to close to allow for any nominations made to be dealt with.

- (4) If a committee member is nominated by another committee member the Chief Executive Officer is not to accept the nomination unless the nominee has advised the Chief Executive Officer, orally or in writing, that he or she is willing to be nominated for the office.
- (5) The committee members are to vote on the matter by secret ballot as if they were electors voting at an election.
- (6) Subject to clause 5(1), the votes cast under subclause (5) are to be counted, and the successful candidate determined, in accordance with Schedule 4.1 (which deals with determining the result of an election) as if those votes were votes cast at an election.
- (7) As soon as is practicable after the result of the election is known, the Chief Executive Officer is to declare and give notice of the result in accordance with regulations, if any.

Votes may be cast a second time

- (1) If, when the votes cast under clause 4(5) are counted, there is an equality of votes between 2 or more candidates who are the only candidates in, or remaining in, the count, the count is to be discontinued and the meeting is to be adjourned for not more than 7 days.
- (2) Any nomination for the office may be withdrawn, and further nominations may be made, before or when the meeting resumes.
- (3) When the meeting resumes the committee members are to vote again on the matter by secret ballot as if they were voting at an election.
- (4) The votes cast under subclause (3) are to be counted, and the successful candidate determined, under Schedule 4.1 as if those votes were votes cast at an election.
- 1:31pm The Chief Executive Officer advised that one nomination for the office of Chairperson had been received:
 - Cr A A Carter

There being only one nomination, the Chief Executive Officer advised that Cr A A Carter was elected to the office of the Chairperson of the Town of Port Hedland Audit and Finance Committee.

2.4.2 Election of Deputy Chairperson

Committees must also elect a committee member (other than the chairperson) to fill the office of deputy chairperson, in accordance with Section 5.12 (2) and Schedule 2.3 of the *Local Government Act 1995*. The procedure for electing the deputy chairperson is identical to that of filling the office of chairperson; however, the person responsible for the running of the election process will be the newly-appointed chairperson rather than the Chief Executive Officer.

- 1:32pm The Chief Executive Officer advised that one nomination for the office of Deputy Chairperson had been received:
 - Cr M B Dziombak

There being only one nomination, the Chief Executive Officer advised that Cr M B Dziombak was elected to the Office of the Deputy Chairperson of the Chairperson of the Town of Port Hedland Audit and Finance Committee.

- 1:32pm Director Corporate Services advised the Chief Executive Officer that Cr G A Jacob submitted a request that she be nominated for the office of the Chairperson and, in the event that another member is elected as Chairperson, for the office of the Deputy Chairperson.
- 1:32pm In view of Director of Corporate Services statement regarding the additional nominations received by Cr Jacob, the Chief Executive Officer adjourned the meeting.
- 1:36pm The Chief Executive Officer resumed the meeting and advised all members present that in light of the additional nomination received by Cr Jacob, the process to elect the Chairperson and Deputy Chairperson needs to be repeated.

Mayor Kelly Howlett, Cr A A Carter and Cr M Dziombak agreed to recommence the election process.

The Chief Executive Officer called for nominations for the office of the Chairperson of the Town of Port Hedland Audit and Finance Committee. Two nominations were received:

- Cr A A Carter
- Cr G A Jacob

There being more than one nomination, the Chief Executive Officer advised that a secret ballot would be conducted.

Mayor Howlett, Cr A Carter and Cr M Dziombak placed their voting slips in the ballot box.

After counting the ballot papers, the Chief Executive Officer determined that a committee member had inadvertently placed their vote for the Deputy Chairperson in with the voting slips for the office of Chairperson. The additional vote was removed from the ballot box by the Chief Executive Officer in the presence of the Administration Officer Governance.

After re-counting the ballot papers, the Chief Executive Officer advised that the following votes were received:

Cr A A Carter – three votes

Cr A A Carter was unanimously elected to the office of the Chairperson of the Town of Port Hedland Audit and Finance Committee.

1:38pm Cr A A Carter assumed the chair.

The Chairperson called for nominations for the office of the Deputy Chairperson of the Town of Port Hedland Audit and Finance Committee. Two nominations were received:

QUARTERLY REPORT

July – September 2011

COMMENT

In readiness for the upcoming season Management and Staff have been extremely busy preparing the centre for the October 1st opening. It took over one million litres of water to prepare the main pool alone for initial start up due to evaporation and leaking during the closed period therefore utilities expenses will be higher for the first quarter than anticipated.

All preseason preventative and scheduled maintenance tasks have been completed.

The construction works surrounding the centre have been disruptive to the preparation and cleaning of the pool and facility change-rooms. This has resulted in an increased requirement for staff hours and repetitive cleaning.

A temporary access path from the car-park to the main entrance has been installed.

FINANCIAL PERFORMANCE

Expenses for the 1st quarter of 2011 were below budget by **\$7,891** resulting in a net performance for the first quarter of **-\$105,192** compared to a budget of **-\$113,083**. The net variation for the quarter was **-\$7,291**.

Expenditure	\$105,192	\$113,083	\$7,891
Net	(\$105,192)	(\$113,083)	\$7,891

Summary of variations

- Duty Management expenditure is over budget by \$4,057 (31.6%) due to additional cleaning and maintenance hours required to prepare the Centre for opening.
- Operations expenditure is under budget by \$12,745 (23.9%) due to delays in facility maintenance.
- Marketing expense is \$456 (91.2%) under budget, increased use of electronic communication and radio adverts.

QUARTERLY REPORT

July – September 2011

COMMENT

Gratwick Aquatic Centre experienced a slow start to the financial year due to cooler water temperatures and high winds that impacted on comfort of recreation swimmers. In comparison to the same period last financial year there have been noticeable decreases in child and family attendances.

Last financial year we opened the pool for longer hours through July and August. The centre also hosted two major community events throughout the first quarter of 2010/11 that resulted in improved attendances. Unfortunately these events have not been scheduled at the centre this year.

FINANCIAL PERFORMANCE

Income for the 1st quarter of 2011 was below budget by **\$7,630** whilst expenditure was under budget by **\$5,344** resulting in a net performance for the first quarter of **-\$135,755** compared to a budget of **-\$133,469**. The net variation for the quarter was **-\$2,286**.

YTD	Actual	Budget	Variance
Income	\$33,553	\$41,183	(\$7,630)
Expenditure	\$169,309	\$174,653	\$5,344
Net	(\$135,755)	(\$133,469)	(\$2,286)

Financial Year to Date

End of 1st Quarter variations Summary (Above 15%)

- Recreation swimming income is behind budget by \$3,171 (27.8%). This reflects a slower than anticipated start to the financial year however, participation is expected to improve as the weather improves.
- Café income is \$2,022 (37.4%) behind budget however café expenditure is also under budget by \$1760 (49.1%). Café income was affected by low recreation swimming participation rates.
- Merchandise income is over budget by \$291 (21%). This follows high goggle sales to the swim club and other user groups resuming training.
- Duty Management expense is \$3,237 (24.5%) above budget. Duty management staff have exceeded their normal rostered hours to keep the pools and the fitness centre operational.
- Fitness centre expense is \$1,503 (20.9%) under budget. Duty Management staff have been engaged to conduct a number of fitness centre shifts throughout the first quarter of 2011/2012.
- Marketing expense is \$445 (29.6%) under budget which is a result of reduced marketing though the local paper and increased use of the centre's website and electronic database for communication.
- Recreation swimming expense is \$2,179 (30.6%) above budget. This is a reflection of additional training and induction costs for new staff.

Summary

For the Committee to recommend the adoption of the 2010/11 Audited Financial Statements and Associated Notes to the Council, and to consider the Audit Management letter from the Town's Auditor.

Background

On 29 November 2011 the Town received its audited 2010/11 Financial Statements and Associated Notes, Audit Report and Management Report (attached) from Mr Greg Godwin, Partner of UHY Haines Norton and the Town of Port Hedland Auditor.

The 2010/11 Audited Financial Statements (and associated notes) is the annual "report card" of the Town. Generally, Financial Statements are made up of the following components:

- 1. Income Statement;
- 2. Financial Position or Balance Sheet;
- 3. Statement of Changes in Equity;
- 4. Cash Flow Statement; and
- 5. Notes to provide further details on the above statements.

These are prepared so users of the reports can determine:

- 1. Performance (Income Statement);
- 2. Net Worth (Financial Position);
- 3. Changes in Net Worth (Changes in Equity);
- 4. Management of cash resources (Cash Flow).

However the *Local Government Act 1995*, adds an additional component, being the Rate Setting Statement. Though all components of the Financial Report are equally important, the Rate Setting Statement is unique to Local Government.

This statement incorporates components from the Income Statement and changes in the Balance Sheet, to determine the rates required to be raised (budget process); and Council's Cash Surplus. It effectively determines what funds are available to Council to provide its various services and programs. Accordingly, Council made a cash surplus of \$7.728 million in 2010/11. These funds are "carried forward" in the new year to effectively fund uncompleted works from 2010/11. As the Committee will note, as part of the September Budget Review, the Carry Forward Surplus estimated at the time of setting the original budget has been amended to reflect this revised figure.

The associated notes provide greater detail into the various components of the statements while comparing the year's results to budget estimates. Both the statements and associated notes are produced in accordance with the Australian Accounting Standards, the Local Government Act and associated regulations to provide the necessary information required by the public to determine the Town's worth and sustainability for the future.

The Audit Report (Opinion) is an independent report or opinion on the reasonableness of the information contained with the Annual Statements. The Auditors are required to provide confidence to users of the annual statements as to their accuracy and fairness. According to the Town's Auditor, Mr Greg Godwin, the 2010/11 statements are considered "true and fair" and comply with the relevant standards and legislation.

Local Government Auditors are also required to advise the Council and the community of any non compliance with the Local Government Act. During the 2010/11 audit, Mr Greg Godwin has identified the following non-compliance with the requirements of the Local Government Act or the associated regulations:

- 1. The Annual Financial Report for the year ended 30 June 2010 was not submitted to the Director General of the Department of Local Government within 30 days of the auditor's report becoming available as required by Financial Management Regulation 51 (2).
- Budget Review a copy of the budget review was not submitted to the Department within 30 days of its adoption as required by Financial Management Regulation 33A (4).

The non-compliances have since been addressed by the Town. The Annual Financial Report was submitted to the Department on 11 May 2011 and the Budget Review submitted on 2 June 2011.

The Auditor also issues a "Management Report" which allows the auditor to formally raise points or issues, which currently do not affect their overall opinion of the Town's financial management, but if not addressed may result in future qualifications or misstatements of a financial nature. Generally these are not publicised as they are chiefly for internal use, and may confuse external users on the Auditor's true opinion. In the 2010/11 Management Report, the Town's Auditor has effectively raised issues around 2 key areas. These being:

- 1. Depreciation Rates
- 2. Employee Entitlements

These will be addressed in the Officer's Comments along with the uncorrected mistatements.

Statutory Implications

Local Government Act 1995

5.54. Acceptance of annual reports

(1) Subject to subsection (2), the annual report for a financial year is to be accepted* by the local government no later than 31 December after that financial year.
* Absolute majority required.

(2) If the auditor's report is not available in time for the annual report for a financial year to be accepted by 31 December after that financial year, the annual report is to be accepted by the local government no later than 2 months after the auditor's report becomes available.

Budget Implications

The 2010/11 Audited Financial Statements produce an Actual Cash Surplus of \$7,728,477. Currently the Town's Original Budget assumes a budgeted carried forward surplus of \$3,375,828. The additional surplus of \$4,352,649 has been accommodated in the September Budget Review (the subject of a separate report in this agenda), as this is still required to fund uncompleted non-operating (Capital) projects from the previous year.

Officer's Comment

The audited 2010/11 financial statements effectively "closes the book" with regards to the 2010/11 Financial Year.

Given the audit opinion that the 2010/11 Statements are a "true and fair" representation of the Town's financial position as at 30 June 2011, the Committee should have confidence that the Town's financial management is strong and meets the requirements of the Australian Accounting Standards and relevant legislation.

Of the issues raised in the management report, it is proposed to address them in the following manner:

Depreciation rates used is inconsistent with accounting policies

A project has commenced to develop an Asset Management Framework for the Town as part of the Department of Local Government requirements to develop an Integrated Strategic Planning and Reporting Framework. This project will include the development of a depreciation policy for each asset category that will incorporate defining and adopting appropriate depreciation rates for each category of assets to ensure the appropriate depreciation rates are used.

Employee entitlements provision do not include liability associated with transportable leave

The Town has commenced a review in relation to those employees who have transferred between Councils in order to establish the accuracy of the amounts payable and receivable to/from other Councils. Once the accuracy is established, the employee entitlement provision in the Accounts will be adjusted to reflect amounts payable to other Councils and the accounts receivable from other Councils as appropriate.

Uncorrected Misstatement

The uncorrected misstatement of \$56,392 relates to the above issue on transportable leave. This adjustment was not made in the accounts as the accuracy was not established at the time of the audit. As mentioned above, once the accuracy is established the associated liability and receivables will be processed. It is an audit requirement to identify uncorrected mistatements. Given the amount is immaterial and yet to be clarified, this should not be a significant concern to the Committee.

These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Council, as well as evaluating the overall presentation of the financial report.

We believe the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

The Mayor Cr K Howlett Town of Port Hediand PO Box 41 PORT HEDLAND WA 6721

Dear Cr Howlett

MANAGEMENT REPORT FOR THE YEAR ENDED 30TH JUNE 2011

We advise that we have completed our audit procedures for the year ended 30th June 2011 and enclose our Audit Report.

We are required under the Local Government Audit Regulations to report certain compliance matters in our audit report. Other matters which arise during the course of our audit that we wish to bring to Council's attention are raised in this management report.

It should be appreciated that our audit procedures are designed primarily to enable us to form an opinion on the financial statements and therefore may not bring to light all weaknesses in systems and procedures, or all audit matters of interest to Council, which may exist. However, we aim to use our knowledge of the Town's organisation gained during our work to make comments and suggestions, which, we hope, will be useful to you.

Depreciation Rates

Whilst the depreciation rates used appear reasonable, certain depreciation rates used for various items of property, plant, equipment and infrastructure were not in line with the rates disclosed in Council's accounting policies.

To help ensure the depreciation rates used are in line with Council's adopted accounting policies we recommend the depreciation rates being used be reviewed and the fixed asset register or accounting policy, as deemed appropriate, be updated.

Employee Entitlements

During our review of the long service leave liability we noted the provision at balance date did not include adjustments for amounts payable to and receivable from other Councils in relation to employees who have moved to or from other Councils.

Whilst the estimated amount is not significant we recommend a review be undertaken to help ensure the provisions disclosed are as accurate as possible.

10.3.2 First Quarter Budget Review (File No.: -)

Officer	Suma George Manager Financial Services
Date of Report	29 November 2011
Disclosure of Interest by Officer	Nil

Summary

For the Committee to review the results of the first quarter budget review for the 2011-12 financial year and to make recommendations to the Council as to whether the adjustments outlined in the attachments should be approved.

Background

In every organisation there are many factors, both internal and external that can have an effect on program expenditure anticipated throughout the year, after the original budget is adopted. Part of ensuring that an organization has effective financial management practices in place is for regular budget reviews to occur, and reports to be provided to the Council on any modifications that may be required.

While management are required to monitor their particular programs frequently in order to ensure their departmental targets are being achieved, it is also important that senior management regularly review the income and expenditure in order to assess the achievement of the overall financial targets of Council.

The first budget review has been conducted with the actual data being used as at the end of September 2011. The review is an extremely detailed review, highlighting known adjustments to the budget, including a critical review of significant projects for 2011-12 and the Town's capacity to complete them by 30 June 2012. In some instances, savings generated from this process have been reallocated to areas of additional expenditure needed to complete projects.

Consultation

The Budget review was prepared by the Executive team, after meeting with each Manager and Coordinator, where all revenue and expenditure accounts within that Manager's responsibility was reviewed in detail.

Statutory Implications

Local Government Act 1995 states (in part):

6.8. Expenditure from municipal fund not included in annual budget

- (1) A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure —
 - (a) is incurred in a financial year before the adoption of the annual budget by the local government;
 - (b) is authorised in advance by resolution*; or
 - (c) is authorised in advance by the mayor or president in an emergency.
- * Absolute majority required.
- (1a) In subsection (1)

-additional purpose~ means a purpose for which no expenditure estimate is included in the local government's annual budget.

- (2) Where expenditure has been incurred by a local government -
 - (a) pursuant to subsection (1)(a), it is to be included in the annual budget for that financial year; and
 - (b) pursuant to subsection (1)(c), it is to be reported to the next ordinary meeting of the council."

Budget Implications

The proposed budget amendments ensure that the Council's budget remains balanced for the 2011-12 financial year.

Officer's Comment

Budget Shortfall Discussion

During the first quarter budget review, a total shortfall resulted of approximately \$2.0 million.

In order to ensure a balanced budget, Executive discussed alternatives as to how this may be achieved. As a result, almost \$1 million was utilised from the Community Facilities Reserve in order to fund the proposed upgrades to the Courthouse Art Gallery; the finalisation of the JD Hardie fit-out and the civil works for the Multi Purpose Recreation Centre. The proposed \$0.5 million for the Wedge Street Roundabout was removed while investigations occur as to its design and will be the subject of a separate report to Council in the upcoming months. The remaining \$0.5 million has been sourced from the Airport Reserve in recognition of the large amount of work that is being undertaken in relation to the airport that is currently sourced from Municipal funds (such as salary costs). Adjustments have been made that have ensured a balanced budget for the first quarter budget review.

The 2010/11 financial statements have been completed. The actual surplus for 2010/11 financial year was \$7,728,477 which is higher by \$4,352,649 when compared to the amount initially anticipated. Including this increase, there was an initial deficit after the review that has been sourced mainly through utilising funds from the Community Facilities Reserve and the Airport Reserve.

New Staff Proposed

As part of the Budget Review it is recommended that a Marketing Manager position be created and the current marketing officer position be increased from a 0.6 FTE (Full Time Equivalent) to a FTE. The new position will assist in promoting Port Hedland nationally and internationally as the Town becomes Pilbara's Port City.

Also proposed is to convert a 0.5 FTE Occupational Health and Safety Officer role to a FTE Coordinator, Occupational Health and Safety position. This will allow for an increased focus on policy development, compliance, and ensuring that employees are safe in the workplace.

A summary on the effect on the cash surplus with the above options recommended by Executive is included in the list below:
